Your tax return

If you have other investments you'll need to add up all the income before you fill out your tax return.

Taxable income amounts derived from all trust investments must be included in your tax return even if they were reinvested (ie not taken as cash). Where the trust has elected to be an Attribution Managed Investment Trust (AMIT) the taxable income amount attributed to you may be greater than the cash distributed.

The tax return label numbers referred here are the white letters inside the coloured boxes on the *Tax Return for Individuals (supplementary section) 2020 (NAT 2679)*, and are only relevant to resident individuals. It is recommended that you speak to your registered tax agent to help you prepare your return. Your tax agent should use the information in this statement rather than the details displayed in the tax agent pre-filing service.
