

Bengemmax SMSF

2019/2020

There is no accounting information to provide.

No return was necessary for 2019-2020 year as the fund had just opened days before EOFY and it had no assets, bank statement was sent to ATO to prove this.

SMSF was flagged for not having submitted a year end return for 2019/20 – however as per the letter sent none was needed as it had no assets at the end of the financial year as it had just begun a few days before. No assets, and nothing in bank account. Bank statement provided in letter to ATO – they received it 24th May 2021.

It was confirmed by the ATO (in November 2021) that ATO had accepted that no return was necessary for 2019-2020 financial year.
