Please note that your account with your Superannuation Fund is in or available for Pension Phase, and you are required to withdraw a minimum amount each year based on the balance of your fund the previous year and what age you are. This makes the earnings of the fund non taxable.

Based on the above factors, you are required to withdraw a minimum amount for 2022/23 financial year of:

FJ VISKOVICH	\$1,800	(Was \$3,600)
JE VISKOVICH	\$1,600	(Was \$3,200)

Government announced in March 2020 only 50% of normal amount to be withdrawn due to the effect of the Covid Virus. This has been extended for another year.

This minimum amount must be withdrawn before the 30/06/2023. Please note that there is no maximum amount (other than your account balance). ***This minimum amount includes payments that may have been withdrawn from the 1st July 2022.***

Please note that the withdrawal must go into a personal bank account.
