Rollover confirmation

Congratulations on taking control of your super. Rolling your super into your Hostplus account is a great way to save on fees and benefit from building your super.

We're pleased to advise that the transfer of your AR & LN Hart Superannuation Fund benefit is now complete. The amount of \$20,000.00 was received on 18 May 2021 and has been applied to your Hostplus account.

You should be aware your superannuation benefit is subject to preservation regulations. This means that you may not be able to access some or all of the money transferred into your Hostplus account until you reach your preservation age, which for you is 56.

Thank you for entrusting us to manage your super. We look forward to helping you get the most out of your Hostplus account.
