If you want to dispute any transactions on your account

You should always check the transactions on your statement to make sure they're correct. If you'd like to dispute a transaction, contact us at info@ampbanking.com.au or on 13 30 30. You can also refer to our **Account access and operating terms and conditions**. It outlines our internal dispute resolution process and includes other details about using your account. You can get a copy at amp.com.au/bankterms or by calling us.

Dispute Resolution

We have a free dispute resolution mechanism that covers complaints you may have. You can access this by lodging a complaint at amp.com.au/support/complaints, by calling us or by writing to us at AMP Bank, Locked Bag 5059, Parramatta NSW 2124. We are also a member of the Australian Financial Complaints Authority, a free dispute resolution service.

Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Don't disclose any of your Security Access Codes to anyone.
- Choose Security Access Codes that are unique and difficult to guess. If you need to keep a record, protect it by disguising it, storing it in a safe place and separate from your Devices.
- Don't select a numeric pass code that represents your birth date, or an alphabetical pass code that is a recognisable part of your name.
- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to amp.com.au/securityguidelines for more information on keeping your account safe and secure and liability for an unauthorised transaction.

If you use the 'credit' button, purchase goods online or over the phone or transact using contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit amp.com.au/bankdisputes for more information.

Make a green statement

As we're an online bank, we invite you to join us in going paperless.

If you switch to get your bank statements and other correspondence from us in My AMP, you can keep things private and secure, as well as having everything in one place.

Current interest rates

Beware of scams and adopt safeguards

Scams continue to rise at an alarming rate and can have devastating financial and emotional impacts. Recent data breaches which may have exposed personal information such as name, mobile and email addresses add to the risk of scammers contacting you. It is important that you remain vigilant and report any suspicious activity to us by calling 13 30 30 (Option 5).

We recommend that you enable push notifications on My AMP app or SMS withdrawal notifications for your AMP accounts. This will alert you of any potentially unauthorised activity on your accounts.

You can adopt the following safeguards to protect your online identity:

- Never give anyone remote access to your phone, computer or online bank accounts;
- Enable 2 factor authentication for email accounts, online banking and any other websites or apps payments are made from;
- Regularly monitor account activity and report any unauthorised activity;
- Never provide your personal details to anyone who contacts you by phone, especially unsolicited calls; and
- Take care when responding to emails and SMS, even if it seems genuine.

Stay alert and safe online, check out our security tips at: www.amp.com.au/banksecurity

New Payment Platform – Real Time Payments

Effective 1 December 2022, AMP Bank has connected to the New Payments Platform (NPP), enabling our customers to receive funds in real time through a payment service called single credit transfer (SCT).
