Dear Julie,

**Re: SALES and LEASING APPRAISAL
Unit 3/19 Stevens St
Nerang, QLD 4211
LOT 2 SP263457**

In formulating a reliable and professional opinion for the current sales price of this unit, we have considered the following information.

- Data we have considered from industry resources
- The quality and standard condition of your unit
- Our professional knowledge and experience in the local market
- Recent Sales and leases of properties in the area
- Return on investment

The Besser Block building comprises a large warehouse/workshop comprising approximately 335m² including 20m² office space. It is located centrally with good access to the M1. Prices for both commercial rentals and sales have risen recently and in our opinion the likely sales and rental price, at the present time, for Unit 3 is as follows.

SALE: In the range of \$600,000 to \$650,000
LEASE: In the range of \$3,500 per month plus outgoings plus GST

Yours sincerely,

Keith Twist
Principal L.R.E.A.
