--------------------------------------	-----------------------------------------

Fund	Amount(\$)
Platinum International Fund - C Class Units	599.82

This approximate amount includes all the fees and costs which affected your investment during the period.

### Additional explanation of fees and costs

1. 'Fees deducted directly from your account' in respect of a Fund during the period are comprised of the buy spread applied to any applications (other than distributions reinvested) into the Fund during the period and the sell spread applied to any withdrawals from the Fund during the period.

2. If you held C Class or E Class units in a Fund during the period, the 'Fees and costs deducted from your investment' during the period are comprised of the Fund's investment management fee (inclusive of Australian GST less any expected reduced input tax credits), estimated indirect costs incurred through the Fund's investment trading activities in OTC derivatives (other than for hedging purposes) and exchange traded funds, and the Fund's estimated transaction costs (net of the Fund's buy/sell spread).

If you held P Class units in a Fund during the period, the 'Fees and costs deducted from your investment' during the period are comprised of the Fund's investment management fee (inclusive of Australian GST less any expected reduced input tax credits), any accrued investment performance fee (inclusive of Australian GST less any expected reduced input tax credits) for the Fund, estimated indirect costs incurred through the Fund's investment trading activities in OTC derivatives (other than for hedging purposes) and exchange traded funds, and the Fund's estimated transaction costs (net of the Fund's buy/sell spread).

3. 'Total fees and costs you paid' in respect of a Fund are comprised of the 'Fees deducted directly from your account' and the 'Fees and costs deducted from your investment', during the period.
4. The exit unit price for a Fund (which includes the sell spread) was applied for any withdrawals from the Fund and the entry unit price for a Fund (which includes the buy spread) was applied for any applications into the Fund, during the period.
5. The exit unit price for a Fund (which includes the sell spread) ex-distribution was applied to calculate both the opening and any closing balances for the Fund.
