## Rollover benefits statement for unclaimed superannuation money

Dear Sir/Madam

The following members have nominated to rollover their unclaimed superannuation money held by the Australian Taxation Office.

This statement should be read in conjunction with the statement previously sent to you as amended details have been reported to the Australian Taxation Office. The original contribution reference number below will assist you in identifying that original statement.

If you're unable to accept this rollover superannuation benefit payment you will need to complete a *Superannuation payment variation advice* form and return it with the payment on or before 2 May 2023. You will need to include the contributions reference number for that member.

To obtain the payment reference number or to request more information about making a payment, phone **1800 815 886**.

Where any amount is not repaid by the due date, a general interest charge accrues on the outstanding balance until the entire amount has been paid. Interest is calculated on a daily compounding basis and is currently imposed at a rate of 10.46% per annum.

You can claim a general interest charge as a tax deduction in the same financial year that it accrues against your account.
