**INVESTMENT
STRATEGY:**

The Investment performance of the fund for the year ended 30th June 2018 was discussed.

It was resolved unanimously that the aims and objectives of the Investment strategy were being achieved and that no changes in the investment strategy were required.

In reviewing our investment strategy, we agree that the appropriate investments for the Superannuation Fund are in Cash and Loans. This strategy has been applied throughout the financial year.

The position of the fund as at 30/06/2018 is as follows;

Cash	19.11%
Loans	80.89%
	<hr/> 100%

**INSURANCE
COVER:**

Insurance cover for the members of the fund was discussed.

In reviewing our insurance cover, we confirm that the trustees have reviewed all existing insurance coverage relating to their members. The members have indicated that they do not require any change to their personal insurance cover as their current personal provisions remain adequate for their needs.

**ASSET
VALUATION:**

It was resolved that all assets be of the fund are to be valued at market value and that no significant events have happened in the market to warrant an extraordinary external valuation of these assets. It was resolved unanimously that this is to be the correct treatment and the reported valuation of assets is hereby accepted as tabled.

It was also confirmed that the term deposits reported by the fund in the financial statements were held at the relevant financial institutions at the end of the financial year and have not been withdrawn early.

LIQUIDITY: The trustee will ensure a sufficient cash balance in the Fund's bank account is maintained in order to meet outgoings when they fall due.
