Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations, the trust deed of the fund and the needs of members.

The financial statements have been prepared on a cash basis and are based on historical costs, except for investments which have been measured at market value.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the Director(s).

a. Measurement of Investments

The fund initially recognises:

- (i) an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered to be the date on which control of the future economic benefits attributable to the asset passes to the fund; and
- (ii) a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the fund have been measured at market value, which refers to the amount that a willing buyer could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market value has been determined as follows:

- (i) shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- (ii) units in managed funds by reference to the unit redemption price at the end of the reporting period;
- (iii) fixed-interest securities by reference to the redemption price at the end of the reporting period;
- (iv) unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
- (v) investment properties at the trustees' assessment of the market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the end of the reporting period. The trustees have determined that the gross values of the fund's financial liabilities is equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and subject to an insignificant risk of change in value.

c. Revenue

Revenue is recognised at the fair value of the consideration received or receivable.

Interest revenue

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

Notes to the Financial Statements

For the year ended 30 June 2019

Dividend revenue

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

Rental revenue

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

Distribution revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Remeasurement changes in market values

Remeasurement changes in the market values of assets are recognised as income and determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if acquired during the period).

d. Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries, and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

e. Critical Accounting Estimates and Judgements

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

21. Investment Returns

Investment returns of the Fund have been allocated to members in a manner that is fair and reasonable.

The Trustees have not entered into a contract or done anything else, that would prevent the Trustees from, or hinder the Trustees in, properly performing or exercising the Trustees' functions and powers.

24. Collectables and Personal Use Assets

If the Trustees own collectables and/or personal use assets these assets are not being used for personal use.

We understand that your examination was made in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the Fund taken as a whole, and on the compliance of the Fund with specified requirements of SISA and SISR, and that your tests of the financial and compliance records and other auditing procedures were limited to those which you considered necessary for that purpose.

Yours sincerely,

For and on behalf of the Trustee(s)

Dear Trustee,

The Objective and Scope of the Audit

You have requested that we audit the Taylormade4BG Retirement Fund (the Fund):

1. financial report, which comprises the statement of financial position, as at 30/06/2019 and the operating statement for the year then ended and the notes to the financial statements; and
2. compliance during the same period with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and SIS Regulations (SISR) specified in the approved form auditor's report as issued by the ATO, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of the SISR.

We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted pursuant to the SISA with the objective of our expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and SISR.

The Responsibilities of the Auditor

We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB). These standards require that we comply with relevant ethical requirements relating to audit and assurance engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement and that you have complied, in all material respects, with the specified requirements of the SISA and SISR.

The annual audit of the financial reports and records of the Fund must be carried out during and after the end of each year of income. In accordance with section 35C of the SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in the SISR, 28 days after the trustees have provided all documents relevant to the preparation of the auditor's report.

Financial Audit

A financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report. Due to the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered.

In making our risk assessments, we consider internal controls relevant to the fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a letter to the Trustee.

Compliance Engagement

A compliance engagement involves performing audit procedures to obtain audit evidence about the fund's compliance with the provisions of the SISA and SISR specified in the ATO's approved form auditor's report.

Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the fund, which has been reviewed regularly and gives due consideration to risk, return, liquidity, diversification and the insurance needs of members/managers. Our procedures will include testing whether the investments are made for the allowable purposes in accordance with the investment strategy, but not for the purpose of assessing the appropriateness of those investments to the members.

The Responsibilities of the Trustees

We take this opportunity to remind you that it is the responsibility of the trustees to ensure that the fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the fund. The trustees are also responsible for the preparation and fair presentation of the financial report.

Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report and for determining that the accounting policies used are consistent with the financial reporting requirements of the SMSF's governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members. This responsibility includes:

- Establishing and maintaining controls relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error. The system of accounting and internal control should be adequate in ensuring that all transactions are recorded and that the recorded transactions are valid, accurate, authorised, properly classified and promptly recorded, so as to facilitate the preparation of reliable financial information. This responsibility to maintain adequate internal controls also extends to the Fund's compliance with SIS including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements.
- Selecting and applying appropriate accounting policies.
- Making accounting estimates that are reasonable in the circumstances; and
- Making available to us all the books of the Funds, including any registers and general documents, minutes and other relevant papers of all Trustee meetings and giving us any information, explanations and assistance we require for the purposes of our audit. Section 35C(2) of SIS requires that Trustees must give to the auditor any document that the auditor requests in writing within 14 days of the request.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

Our audit report is prepared for the members of the Fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the fund, or for any purpose other than that for which it was prepared.

Our audit report should not be used in determining the amount to pay member's benefits. The Trustee should calculate the amount of the benefit payment based on the market value (if applicable) of Fund assets at the date of payment provided this is consistent with the Fund's trust deed, SISA, SISR, or any agreement reached with the member.

Independence

We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of the SISA and SISR including APES 110 *Code of Ethics for Professional Accountants* in relation to the audit of the Fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

Report on Matters Identified

Under section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the Australian Taxation Office (ATO) of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of the materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be, or may be about to become unsatisfactory.

You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matters that you should be aware of in meeting your responsibilities. The completed audit report may be provided to you as a signed hard copy or a signed electronic version.

Compliance Program

The conduct of our engagement in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements means that information acquired by us in the course of our engagement is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent. Our audit files may, however, be subject to review as part of the compliance program of a professional accounting body or the ATO. We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under these programs. Should this occur, we will advise you. The same strict confidentiality requirements apply under these programs as apply to us as your auditor.

Limitation of Liability

As a practitioner/firm participating in a scheme approved under the Professional Services Legislation, our liability may be limited under the scheme.

Fees

We look forward to full co-operation with you/your administrator and we trust that you will make available to us whatever records, documentation and other information are requested in connection with our audit.

Our fees, which will be billed as work progresses, are based on the time required by staff members assigned to the engagement plus out-of-pocket expenses. Individual hourly rates vary according to the degree of responsibility involved and the experience and skills required. Our annual audit fee will be revised and agreed upon each year with the Trustee. Any additional services required, that are outside the scope of this engagement, will be billed on a time basis.

If we are required to respond to requests for information from regulators in relation to our engagement as auditor, the Fund will reimburse us at standard billing rates for our professional time and expenses, including reasonable legal fees, incurred in responding to such requests.

We would appreciate if you could sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our financial audit and compliance engagement of the Fund for the year ended 30/06/2019.

Yours sincerely

Dear Trustee,

I have completed the audit of the Taylormade4BG Retirement Fund for the financial year ending 30 June 2019. The Trustee has complied in all material respects with the *Superannuation Industry (Supervision) Act 1993* and Regulations. ***In addition, the trustee is requested to minute all significant nonstandard events and transactions in the AGM minutes of the Fund.***

The Trustee is required to maintain the financial records of the Fund for a minimum of five years and the minutes of meetings are to be retained for ten years.

It is recommended that the trustees review their Investment Strategy annually to ensure the strategy meets the objectives of the members having regard to risk, return, liquidity and diversification of investments. Further, the trustees should determine whether the Fund should hold a contract of insurance that provides insurance cover for one or more members of the Fund.

Thank you for your professionalism and full cooperation throughout the audit process.

Year of income being audited 1 July 2018 – 30 June 2019

To the SMSF trustees

To the trustees of the Taylormade4BG Retirement Fund

Part A: Financial report

Approved SMSF Auditor's Opinion

I have audited the special purpose financial report of the Taylormade4BG Retirement Fund comprising; the Profit & Loss Statement for the financial year ending 30 June 2019, the Balance Sheet as at 30 June 2019 and the Notes to and forming part of the Accounts for the year ended 30 June 2019 of the Taylormade4BG Retirement Fund for the year ended 30 June 2019.

In my opinion, the financial report:

a) presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2019 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards¹. My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the self-managed superannuation fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter - Basis of accounting

Without modifying my opinion, I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist *Taylormade4BG Retirement Fund* meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

¹The Australian Auditing Standards issued by the Auditing and Assurance Standards Board.

SUPER AUDITS

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund. The going concern basis of accounting is appropriate when it is reasonably foreseeable that the fund will be able to meet its liabilities as they fall due.

The trustees are responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

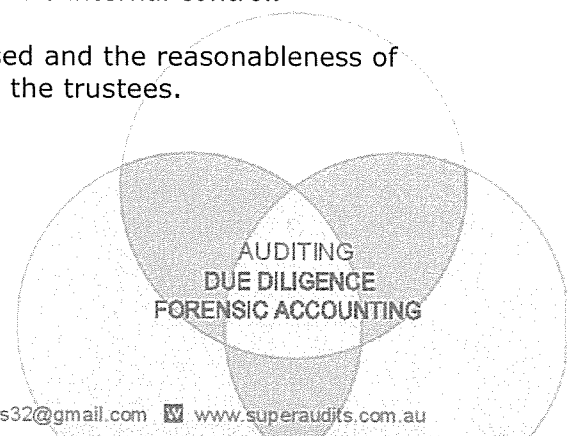

My responsibility is to express an opinion on the financial report based on my audit. I have conducted an independent audit of the financial report in order to express an opinion on it to the trustees.

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

I have complied with the competency standards set by Australian Securities & Investments Commission (ASIC). My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

SUPER AUDITS

- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the trustees and or the trustee's authorised representative regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Part B: Compliance report

Approved SMSF Auditor's Opinion

I have performed a reasonable assurance engagement on the Taylormade4BG Retirement Fund to provide an opinion in relation to its compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below in the *Approved SMSF Auditor's Responsibility* section of this report.

In my opinion, each trustee of Taylormade4BG Retirement Fund has complied, in all material respects, with the applicable provisions of the SISA and the SISR specified below, for the year ended 30 June 2019.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence requirements in accordance with the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by the SISR.

My firm applies Australian Standard on Quality Control 1 ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement.

I have complied with the competency standards set by ASIC.

SMSF trustees' responsibility for compliance

Each SMSF trustee is responsible for complying with the requirements of the SISA and the SISR and for identifying, designing and implementing internal controls as they determine necessary to meet compliance requirements and monitor ongoing compliance.

Approved SMSF auditor's responsibility for the compliance report

My responsibility is to express an opinion on the trustees' compliance with the applicable requirements of the SISA and the SISR, based on the compliance engagement. My procedures included testing that the fund has an investment strategy that complies with the SISA and that the trustees make investments in line with that strategy, however, no opinion is made on its appropriateness to the fund members.

My reasonable assurance engagement has been conducted in accordance with applicable Standards on Assurance Engagements issued by the Auditing and Assurance Standards Board, to provide reasonable assurance that the trustees of the fund have complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SISA and the SISR.

Sections: 17A, 34,35AE, 35B, 35C(2), 35 (D) (1), 52 (2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA 13.22 (B and C)

An assurance engagement to report on the fund's compliance with the applicable requirements of the SISA and the SISR involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR for the year ended 30 June 2019

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

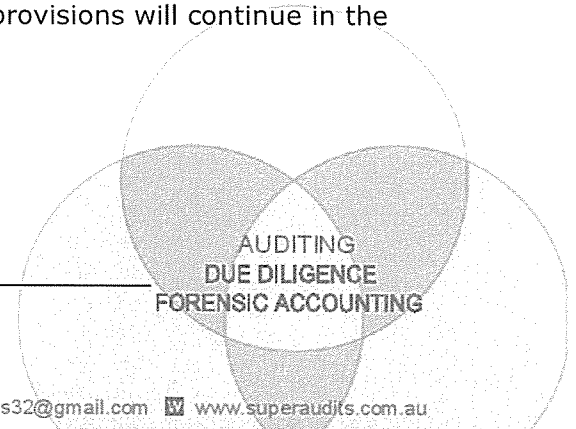

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected. A reasonable assurance engagement does not provide assurance on whether compliance with the listed provisions will continue in the future.

Dear Trustees,

Your Self-Managed Superannuation Fund Administrator has requested that we prepare an actuarial certificate for your SMSF to comply with Section 295.390 of the Income Tax Assessment Act 1997. The actuary James Fitzpatrick of Waatinga has calculated the tax exempt percentage and has prepared the certificate as requested. This letter and the enclosed certificate and attachments set out the information and assumptions used to calculate the tax exempt percentage.

We understand that the circumstances of the Fund are such that just prior to the start of the income year in question, at least one member with a superannuation interest in the Fund (during the income year in question) had a Total Superannuation Balance exceeding \$1.6 million and that member was a retirement phase recipient of a superannuation income stream. This situation excludes the Fund from being able to use the Segregated Method for claiming Exempt Current Pension Income (ECPI) and so a Section 295.390 certificate is required to support the claim for ECPI.

Effective from the 2017/18 year onwards, if there are any periods of the income year where the only accounts held by the Fund are Retirement Phase accounts, these periods are known as Deemed Segregated Periods (DSPs) and the Segregated Method is generally used to determine the Exempt Current Pension Income (ECPI) during those periods. However the above circumstances of your Fund override that requirement and the ECPI proportion stated in the attached certificate should be applied to all of the relevant income for the whole income year, even if the Fund had one or more DSPs during the year.

The tax exempt percentage specified in the actuarial certificate applies to the net ordinary and statutory assessable income (excluding assessable contributions, non-arm's length income and income derived from any segregated assets) received during the Unsegregated Periods for the given income year.

As a general guide, the tax exempt percentage is calculated as the average Retirement Phase balances as a proportion of the average total Fund balances.

ACTUARIAL CERTIFICATE

Income Tax Assessment Act 1997 (the Act), Section 295.390

We have been requested by Act2 Solutions to prepare an Actuarial Certificate in compliance with the Act for the following Self-Managed Super Fund (SMSF);

TAYLORMADE4BG RETIREMENT FUND (the Fund)

Trustee(s): Barbara Taylor

We have been advised the Fund is a complying Self-Managed Super Fund. This certificate is for the year ended 30/06/2019

Results and Segregation

The Exempt Current Pension Income (ECPI) proportion we have calculated for the unsegregated periods set out below is;

98.064%

This certificate relies on the information that we have been provided. If any of the information is incorrect or materially changes, please request an amendment.

There were no actively segregated assets during the year of income.

Effective from 1st July 2017, where the Fund does not have Disregarded Small Fund Assets, during any periods where 100% of the SMSF's liabilities are Retirement Phase superannuation income stream benefits then the assets and income derived during these periods are deemed to be segregated and excluded from the calculation of the tax exempt percentage.

The table below sets out any deemed segregated periods, based on the information we have been provided. The appropriate treatment of earnings for the different periods is also set out in table and care should be taken to ensure that the appropriate exemption is applied to each period.

<u>Start Date</u>	<u>End Date</u>	<u>ECPI Method</u>	<u>Taxation treatment of relevant earnings</u>
01/07/2018	30/06/2019	Unsegregated	98.064% of earnings are exempt.

Liabilities

I am advised the unsegregated net assets at 30/06/2019, prior to application of the above ECPI, which are also equal to liabilities of the Fund, were;

Current Retirement Phase Liabilities: \$1,587,763

Current Superannuation Liabilities: \$1,610,354

These figures are from draft financial statements. Please note that there is no need to request a revised ECPI if these balances change due to tax or investment income as these do not impact the ECPI calculation.

I certify that I am satisfied that the value of the stated liabilities of the Fund at 30/06/2019 is also the amount of the Fund's assets on this date. These assets plus any future contributions plus expected future earnings will provide the amount required to discharge the liabilities as they fall due.

Exempt Current Pension Income (ECPI)

Subsection 295.390(1) of the Act states "that a proportion of ordinary income and statutory income of a complying superannuation fund that would otherwise be assessable income is exempt from income tax."

To assist the trustee with calculating this proportion for the year of income ending 30/06/2019 set out below is a proportion that is calculated consistently with the Act.

Average Value of Current Pension Liabilities: \$1,619,785

Average Value of Superannuation Liabilities: \$1,651,766

ECPI Proportion: 98.064%

The ECPI proportion should be applied to the Fund's assessable income (excluding any non-arm's length income, contributions and any income derived from segregated assets) to determine how much income is exempt from tax.

Please Note: The average values are time weighted average balances over the financial year and exclude net investment earnings and expenses. These average values are appropriate to calculate the proportion on the assumption that the Trustee will allocate the relevant unsegregated assessable income in proportion to member's unsegregated account balances at a fixed crediting rate throughout the unsegregated period.

Data Summary

The data on which the above certification and calculation is based has been provided by Act2 Solutions. I have been provided with details of contributions, benefits payments and transfers for each member throughout the year. A summary of this data for the Fund is set out below

	<u>Contributions</u>	<u>Benefit Payments</u>	<u>Transfers</u>
Fund Transactions	\$0	(\$273,989)	\$0

The net assets at 01/07/2018 were \$1,884,343. The member balances as at 30/06/2019 provided were;

	<u>Retirement Phase</u>	<u>Total Balance</u>
Total Fund	\$1,587,763	\$1,610,354
Barbara Taylor	\$1,587,763	\$1,610,354

Assumptions and Notes

I have been advised by Act2 Solutions that the relevant pension liabilities meet the requirements to be considered a retirement phase superannuation income stream. This advice has been relied upon in preparing this certificate.

The information provided indicates that during the income year the assets of the Fund were Disregarded Small Fund Assets as defined in the Act. As such, the Fund is not eligible to use the Segregated Method to claim ECPI and we have prepared the certificate on this basis.

I have been advised that the values at 01/07/2018 are from audited financial statements and that the values for the financial year are from unaudited draft financial statements. If there are material changes after the certificate was issued an amendment should be requested.

As the fund only contained account-based pensions and member accounts in accumulation phase, the liabilities have been taken to be the balances of the relevant accounts and reserves (if any). We have been advised there are no unusual terms or guarantees in the SMSF however should this be incorrect please contact Act2 Solutions as this certificate may need to be revised.

For the calculation of the exempt proportion we have relied on data provided that included the Fund's balances in accumulation phase, the Fund's balances in retirement phase, transactions within, to and from the Fund during the year.

The Fund contained only member accounts in accumulation phase and account-based pensions. Therefore, no assumptions about future inflation, future contributions, investment returns or discount rates have been required to calculate the tax exempt percentage.

The preparation of this actuarial certificate and the determination of the liability values are in accordance with Professional Standard 406 of the Institute of Actuaries of Australia.
