# Our communication options for Shareholders

We noticed that you haven't told us your email address.

As a Telstra shareholder, we want you to receive your shareholder communications as soon as they are available and email is the fastest way to deliver this information. Notifications by post can delay important messages.

We understand there may be some communications you still want to receive in hard copy, that's why you should check out the different options available at Telstra's Investor Centre and ensure your contact details and communication preferences are up to date.

Did you know that recent legislative changes mean that we will no longer send you a hard copy of notices of meeting for shareholder meetings unless you tell us otherwise. Your future notices of meeting will be available on our website at [www.telstra.com/investor](http://www.telstra.com/investor). We will notify you in line with your communication preferences when the material is available for you to view.

If you would like to receive a hard copy of future notices of meeting, at no charge, please update your preferences as outlined below.

Here's how to choose the communication option that best suits you:

1. Go to Telstra's Investor Centre at [www.linkmarketservices.com.au/telstra](http://www.linkmarketservices.com.au/telstra).

(a) **Select the Single Holding Login** and enter your HIN/SRN and your postcode or country code in the fields required to securely access your shareholding, or

(b) **Select the Portfolio Login** and enter your email address and password to securely access your shareholding. If you do not have a Portfolio Login, please click '**Register Now**' to create your login. To add your Telstra shareholding to your portfolio you will need your SRN or HIN. This can be found on your Holding Statement or your hard copy dividend statements up to 2020.

2. Once you are in your shareholding, select the '**Communications**' menu and then '**Preferences**' to view the options available. Select '**All communications electronically**' and enter your email address to receive all your future dividend statements, annual reports and notices of meeting by email. Click '**Show other options**' to choose another alternative including the option to receive hard copy notices of meeting.

Please note, if you do not update your communication preferences as outlined above, you will no longer receive hard copy notices of meeting, but will continue to receive hard copy dividend statements by post.

Thank you.
