<sup>1</sup> The closing balance equals the termination value of your investment as at 30 June 2021.<sup>2</sup> Returns are calculated using redemption prices as at the last business day of the period or, if not available, at the last available price. Returns are not annualised and are net of fees.<sup>3</sup> Direct fees include incidental fees such as RTGS costs which have been incurred in connection with your investment.<sup>4</sup> *Indirect costs of your investment*

This approximate amount has been deducted from your investment and covers amounts that have reduced the return on your investment but are not charged directly to you as a fee.

The latest available Indirect Cost Ratio (ICR) is used to calculate these indirect costs. The calculation of these indirect costs is a
