Re; KMKM Superannuation Fund

To Whom It May Concern,

As trustee of the KMKM Superannuation Fund, I engaged Carter Woodgate solely to create the Superannuation Fund documents for me. Following on from this deed creation, I understand that they can only give me taxation advice, and assist me in matters relating to the preparation of the Superannuation Fund Annual Financial Accounts & Taxation Returns.

I understand that they are not licensed to give financial advice, and I have obtained independent financial advice relating to this Self Managed Superannuation Fund, before requesting Carter Woodgate to create the deed.

We thank you for your time.
