## Notes relating to your Annual Taxation Statement

You should refer to the Vicinity Centres Annual Tax Return Guide For Individuals 2020 prior to completing your 2020 income tax return. The Annual Tax Return Guide For Individuals 2020 can be obtained from <http://www.vicinity.com.au/investor-centre/tax-information> or by contacting us on 1300 887 890 for a hard copy.

This statement has been prepared on the basis that you:

- Are an Australian resident individual taxpayer;
- Do not have any current year or carried-forward revenue losses or capital losses; and
- Hold your stapled securities as an investment on capital account, rather than as part of a business that trades in these types of investments.

### 1. Australian assessable income

Trust income is taxed on an attribution basis. This component comprises interest and other income and must be included in your tax return at Label 13U (non-primary production income).

### 2. Discounted capital gains

This component of the distribution is attributable to capital gains calculated using the discounted method. This is the taxable amount for resident individuals.

### 3. Attributed taxable components in excess of cash distribution

The amount shown at this item is the difference between total taxable components attributed to you and your cash distribution (deemed distribution). You are not required to include this amount in your tax return.

### 4. Tax deducted

This component of the distribution represents tax deducted from Australian residents who have not supplied their Tax File Number (TFN) or Australian Business Number (ABN) or have not claimed an exemption from quoting their TFN or ABN. If you are a non-resident investor, tax has been deducted from your distribution because of your non-resident tax status.

The amount of tax deducted also includes a tax payment made on your behalf by Vicinity Centres due to taxable components attributed to your securityholding for the financial year exceeding the cash distribution payment. Vicinity Centres may choose to subtract this tax payment made on your behalf for the year ended 30 June 2020 from future distributions made by Vicinity Centres.

### 5. Capital gain (grossed up) – TAP and Non-TAP

This component of the distribution is attributable to capital gains sourced from Taxable Australian Property (TAP) and Non-Taxable Australian Property (Non-TAP). The taxable amount for a resident securityholder is disclosed at item 2 which is calculated by applying the capital gains tax (CGT) 50% discount to this amount. This amount should not be used for resident complying superannuation entities and companies.

### 6. Total gross capital gains

The amount shown at this item is the total amount of your current year capital gains and must be included in your tax return at Label 18H (Total current year capital gains).

### 7. AMIT cost base net increase amount

Under the AMIT rules, you will either have an AMIT cost base net increase or net decrease amount to the CGT cost base or reduced cost base of your securities. For the current year, there is an AMIT cost base net increase amount. As a result, you are required to increase the CGT cost base or reduced cost base of your securities by the amount shown at this item.

This statement has been prepared for persons who were residents of Australia for income tax purposes throughout the year ended 30 June 2020 and held their SYD investments on capital account. It will assist those persons with the completion of their 2020 income tax returns. This statement should be read together with the 2020 SYD Tax Statement Guide. Should you have any questions relating to your personal tax position, it is recommended that you contact your accountant or taxation adviser.

**A** Tax-deferred amounts have capital gains tax implications. Investors who hold their SYD investments on capital account for income tax purposes are required to adjust the cost bases and reduced cost bases of their SAT1 units for tax-deferred amounts received. In some cases, tax-deferred amounts could constitute capital gains which have to be reported in your Australian income tax return in whole or in part. If you were an Australian resident individual, refer to Part A, Section 2 of your 2020 SYD Tax Statement Guide. If you were not an individual, or you were an individual who was not a resident of Australia for income tax purposes, Part B of the 2020 SYD Tax Statement Guide may assist you.

If you did not hold your SYD investment on capital account for income tax purposes, you should address the appropriate treatment for you of your tax-deferred distributions.

**B** Australian resident investors had tax withheld from their SAT1 distributions and SAL unfranked dividends at the highest marginal tax rate (including Medicare levy) where a tax file number (TFN) or Australian business number (ABN) (where relevant) was not supplied and an exemption was not claimed.

**C** This represents the unfranked dividend paid by SAL.

**D** The non-resident tax withheld amount reflects Australian interest withholding tax withheld from the interest component of the distribution paid by SAT1 and Australian dividend withholding tax withheld from unfranked dividends paid by SAL.
