¹This is the price at which the transaction was executed. If you executed a transaction on the securities exchange, the transaction price and the transaction amount in dollars will not be shown on this statement as this information is not provided to us. The transaction price should have been provided to you by the broker who effected your transaction.

²The exit unit price is the price applicable to a withdrawal request made directly to the Responsible Entity and will generally differ to the price of units on the securities exchange. The exit unit price reflects the NAV per Unit less an allowance for the sell spread.

³This is the value of your investment calculated by multiplying your unit balance by the exit unit price for the relevant date.
