This statement only provides information for CDIA accounts that have been designated as the settlement account for your trading account as at 30 June. Please refer to NetBank for interest income from all other CBA accounts.

The Interest shown is net of any non-resident or TFN withholding tax (if applicable). Please refer to Netbank for bank fees paid on your designated CDIA settlement account in the financial year.

(1) This is an estimate prepared by CommSec based upon units that you hold in accordance with our records. Your actual entitlement will be determined by whether or not a company's share registry shows you as owning shares at the relevant record dates. Amounts that may have been withheld for failing to provide your tax file number to your share registries are not disclosed on this report.

Dividends are estimated by CommSec based on the total registered Units held on the Record Date of the dividend. The following fields are estimated in accordance with the calculations outlined below:

- (a) Units = Total registered units of security held on the Record Date of the dividend
- (b) Est. Unfranked Amount = Units X Dividend per security X Unfranked % (c) Est. Franked Amount = Units X Dividend per security X Franked %
- (d) Est. Franking Credit = (Est. Franked Amount X company tax rate)/(100 company tax rate)
- (e) Est. Total Dividend = Units x Dividend per security

(2) If you have total franking credit amounts greater than \$5,000, in order to be eligible to claim the benefit of the franking credit, you must have held the security for at least 45 consecutive days, not including date of purchase and date of sale. Where the 45 day holding requirement has not been satisfied, the holding period rule (also known as the 45 day rule) may apply to deny the franking credits attached to the dividend received in respect of the particular security. If you have bought shares in the special 2 day trading period that is available after a company's shares go 'ex-dividend' then you may not be entitled to franking credits on these shares. If that situation applies to you please speak to your tax adviser.

Please refer to your dividend statement provided by the Share Registry for any foreign tax credits you may be entitled to and breakdown of any trust distribution you may have received.

For details of the components of your ASX listed trust distributions you will need to refer to the Annual Tax Statement issued by the trust manager.
