BINDING DEATH NOMINATION

| <i>To My</i> | <i>As a (options include: Pension, Lump Sum, or Beneficiary Choice, except for Non Dependant Children and Estate, where option is Lump Sum only)</i> | <i>Order of Priority percentage*</i> |
|-------------------------|--|--------------------------------------|
| Spouse | NA | NA |
| Dependant Children | 1 – Beneficiary Choice | 100% |
| Non-Dependant Children | NA | |
| Executor for the Estate | 2 | |

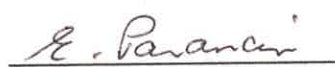

*Where indicating an Order of Priority, place a number in this column. For example, placing a number "1" beside an option means the Trustee will try to distribute in accordance with this option first. If this is not possible (because the beneficiary specified in that category has predeceased the Member), the Trustee will attempt to distribute in accordance with option "2" and so on. It is not necessary to complete more than one option.

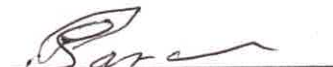

Where indicating a percentage, ensure the sum of all percentages add up to 100% and the % symbol is used. In the event the sum adds up to less than 100% the nomination is still valid in respect of the percentages and beneficiaries indicated.

This binding death nomination is made by me, Sonia Parancin
on the 18 day of September 2020
