That's an average of 71 litres per day.

My bill seems higher than my previous two bills. Why?

Your current bill may seem higher than your previous two bills, but there's a 'simple' explanation.

Your last two bills were likely lower than usual due to our Simpler Billing initiative. One had no services charges and the other covered a shorter than usual services charges period.

Your current bill, by comparison, covers a normal services charges period. So, while it may seem higher than your previous two bills, it's likely just a return to a normal total due.
