These are the quarterly superannuation contributions your employer makes on your behalf to a complying super fund or retirement savings account; and failing that, to the Tax Office.

In your case, they have paid us this contribution. We have checked our records and found you have an account with them that we can transfer the money to.

We will also transfer any future contributions we receive to this account unless you send us the details of a different account.

There may be a difference between the amount we transferred and the amount we received from your employer/s. This could be because:

- your employer changed the amount owed to you
- your employer provided new information which changed the amount we can pay you
- we used some or all of the amount to reduce the amount owing on your super guarantee account, or
- an amount previously sent to your super fund was returned to the ATO.

You can find more information about your superannuation entitlements on our website at **www.ato.gov.au/super**

If you have any questions about this payment, please phone **13 10 20** between 8.00am and 6.00pm, Monday to Friday, and quote 'Our reference' and your tax file number or Australian business number.

Yours sincerely

Melinda Smith
Deputy Commissioner of Taxation
