## Self-managed super fund trustee declaration

### I understand that as an individual trustee or director of the corporate trustee of

Fund name

LETHBRIDGE FAMILY SUPER FUND
------------------------------

I am responsible for ensuring that the fund complies with the *Superannuation Industry (Supervision) Act 1993* (SISA) and other relevant legislation. The Commissioner of Taxation (the Commissioner) has the authority and responsibility for administering the legislation and enforcing the fund's compliance with the law.

I must keep myself informed of changes to the legislation relevant to the operation of my fund and ensure the trust deed is kept up to date in accordance with the law and the needs of the members.

If I do not comply with the legislation, the Commissioner may take the following actions:

- ☐ impose administrative penalties on me
- ☐ give me a written direction to rectify any contraventions or undertake a course of education
- ☐ enter into agreements with me to rectify any contraventions of the legislation
- ☐ disqualify me from being a trustee or director of a corporate trustee of any superannuation fund in the future
- ☐ remove the fund's complying status, which may result in significant adverse tax consequences for the fund
- ☐ prosecute me under the law, which may result in fines or imprisonment.

### Sole purpose

I understand it is my responsibility to ensure the fund is only maintained for the purpose of providing benefits to the members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies. I understand that I should regularly evaluate whether the fund continues to be the appropriate vehicle to meet this purpose.

### Trustee duties

I understand that by law I must at all times:

- ☐ act honestly in all matters concerning the fund
- ☐ exercise skill, care and diligence in managing the fund
- ☐ act in the best interests of all the members of the fund
- ☐ ensure that members only access their super benefits if they have met a legitimate condition of release
- ☐ refrain from entering into transactions that circumvent restrictions on the payment of benefits
- ☐ ensure that my money and other assets are kept separate from the money and other assets of the fund
- ☐ take appropriate action to protect the fund's assets (for example, have sufficient evidence of the ownership of fund assets)
- ☐ refrain from entering into any contract or do anything that would prevent me from, or hinder me in, properly performing or exercising my functions or powers as a trustee or director of the corporate trustee of the fund
- ☐ allow all members of the fund to have access to information and documents as required, including details about
  - the financial situation of the fund
  - the investments of the fund
  - the members' benefit entitlements.

I also understand that by law I must prepare, implement and regularly review an investment strategy having regard to all the circumstances of the fund, which include, but are not limited to:

- ☐ the risks associated with the fund's investments
- ☐ the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
- ☐ investment diversity and the fund's exposure to risk due to inadequate diversification
- ☐ the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities (including benefit payments)
- ☐ whether the trustees of the fund should hold insurance cover for one or more members of the fund.

### Accepting contributions and paying benefits

I understand that I can only accept contributions and pay benefits (income streams or lump sums) to members or their beneficiaries when the conditions specified in the law and the fund trust deed have been met.

### Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from:

- ☐ lending money of the fund to, or providing financial assistance to, a member of the fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly, including the provision of credit)

- ☒ acquiring assets (other than business real property, listed securities, certain in-house assets and acquisitions made under mergers allowed by special determinations or acquisitions as a result of a breakdown of a relationship) for the fund from members or other related parties of the fund
- ☒ borrowing money (or maintaining an existing borrowing) on behalf of the fund except in certain limited circumstances (while limited recourse borrowing arrangements are permitted, they can be complex and particular conditions must be met to ensure that legal requirements are not breached)
- ☒ having more than 5% of the market value of the fund's total assets at the end of the income year as in-house assets (these are loans to, or investments in, related parties of the fund – including trusts – or assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party)
- ☒ entering into investments that are not made or maintained on an arm's length (commercial) basis (this ensures the purchase or sale price of the fund's assets and any earnings from those assets reflects their market value).

### Administration

I understand that the trustees of the fund must:

- ☒ keep and retain for at least 10 years
  - minutes of all trustee meetings at which matters affecting the fund were considered (this includes investment decisions and decisions to appoint members and trustees)
  - records of all changes of trustees, including directors of the corporate trustee
  - each trustee's consent to be appointed as a trustee of the fund or a director of the corporate trustee
  - all trustee declarations
  - copies of all reports given to members
- ☒ ensure that the following are prepared and retained for at least five years
  - an annual statement of the financial position of the fund
  - an annual operating statement
  - copies of all annual returns lodged
  - accounts and statements that accurately record and explain the transactions and financial position of the fund
- ☒ appoint an approved SMSF auditor each year, no later than 45 days before the due date for lodgment of the fund's annual return and provide documents to the auditor as requested
- ☒ lodge the fund's annual return, completed in its entirety, by the due date
- ☒ notify the ATO within 28 days of any changes to the
  - membership of the fund, or trustees or directors of the corporate trustee
  - name of the fund
  - contact person and their contact details
  - postal address, registered address or address for service of notices for the fund
- ☒ notify the ATO in writing within 28 days if the fund becomes an Australian Prudential Regulation Authority (APRA) regulated fund.

### DECLARATION

By signing this declaration I acknowledge that I understand my duties and responsibilities as a trustee or director of the corporate trustee of the self-managed superannuation fund named on this declaration (or if the fund's name changes, that name). I understand that:

- ☒ I must ensure this document is retained for at least 10 years or while I remain a trustee or director of the corporate trustee (whichever is longer) and, if I fail to do this, penalties may apply.
- ☒ I may have to make this document available for inspection by a member of staff of the ATO and, if I fail to do this, penalties may apply.
- ☒ I do not have access to the government's financial assistance program that is available to trustees of APRA regulated funds in the case of financial loss due to fraudulent conduct or theft.

## **Part 2    Death benefit arrangements**

This part of the member's application form is blank because the member elected to 'do nothing'. When they are ready, the member can consider the matters below when they decide on their death benefit arrangements.

At that time, the member;

- could prepare the relevant documents using the relevant pro-forma in the schedules to the Fund's deed (if they're comfortable doing so); or
- could order those documents from the person or organisation who arranged this document for them.

### **First Notice: The types of death benefit arrangements and the order in which they take effect**

The Fund's Deed allows three types of death benefit payment arrangements. They, and the order in which they take effect, are as follows:

- a ***death benefit agreement*** — which binds the trustee and which does not expire, see Part H of the Deed;
- ***binding death benefit notices or binding nomination forms*** — which bind the trustee but which expire after 3 years or earlier if replaced or revoked; and
- ***non-binding nomination forms*** — which do not bind the trustee but which do not expire until replaced or revoked.

***Death benefit agreements*** take priority over *binding death benefit notices* and *non-binding nomination forms*.

### **What you need to consider**

When you, as a member, are considering signing a binding death benefit notice or a non-binding nomination form it is important to consider that:

- a death benefit agreement takes priority over any binding death benefit notice or any non-binding nomination form;
- to the extent permitted by superannuation law, the trustee must pay or apply the relevant benefit in accordance with the death benefit agreement. Therefore if you sign a binding death benefit notice or a non-binding nomination form, then they will have no effect on any earlier or later death benefit agreement that you sign; and
- if any part of a death benefit agreement is invalid, then the trustee (as required by the Fund's Deed) will pay or apply the "invalid" part of the death benefit in accordance with any binding death benefit notice, or by reference to any non-binding nomination form, you have signed.

### **Second Notice: Consistency of death benefit arrangements with pension terms**

It is important to consider how any death benefit nomination or death benefit agreement interacts with the arrangements for payment of a pension to a reversionary beneficiary. The terms of the pension, and the terms of the death benefit nomination or death benefit agreement should be considered together.

For instance, if the pension terms require an automatic reversionary pension, then the death benefit nomination or death benefit agreement has no effect in relation to that pension. If the member wants to ensure all these arrangements – under pension terms, a death benefit nomination or death benefit agreement – are consistent, or to deliberately vary from one to the other, then careful drafting is required and the member should seek professional advice.

**Part 3 Provision of member's tax file number to regulated superannuation fund**

To the director of the trustee of the Lethbridge Family Super Fund.

I have been informed of the reasons why my TFN is sought by the fund.

My TFN is 411079276.

Date: 21-5-18

Signed:   
Luke Lethbridge

## **Important information about providing your tax file number (TFN) to the fund**

---

**Under the *Superannuation Industry (Supervision) Act 1993*, the fund is required to request your TFN. Your TFN is confidential: you don't have to provide it.**

### **What your TFN may be used for**

**If you provide your TFN, it will be used for legal purposes only. The purposes for which your TFN may be used may change in the future. At present, they include:**

- searching for other benefits that may exist for you in the fund;
- calculating reduced tax rates on eligible termination payments (ETPS) when benefits are paid;
- reporting payments to ATO for reasonable benefit limits (RBL) purposes;
- reporting contributions to ATO for contributions tax (surcharge) purposes which may not otherwise be subject to the surcharge;
- passing to other regulated superannuation fund, ADFs and RSAs if your benefits are rolled over. You may revoke this authority later in writing;
- passing on with other details if you become lost and your benefits are paid to the ATO as unclaimed money.

### **What might happen if you don't provide your TFN**

**If you do not provide your TFN, the following may happen:**

- other benefits existing for you in the fund may be more difficult to locate and amalgamate;
- higher tax rates may apply to ETPs paid to you. (This may be recovered with lodgement of your next income tax return);
- your benefits may be subject to an extra 15% contribution tax (surcharge). This may be reclaimed on application to the ATO;
- your TFN will not be passed to other regulated superannuation funds, ADFs and RSAs if your benefits are rolled over;

**your benefits may be more difficult to locate if benefits are paid to the ATO as unclaimed money.**

## **Instructions for use of Certificate of Compliance**

---

**Used when the member “rolls over” (transfers) benefits from another fund to the Lethbridge Family Super Fund.**

### **What is the certificate for?**

If a member transfers money from another super fund into the member's SMSF, then the other fund may require one of these certificates.

### **What is certified?**

- 4        Its trust deed permits the receipt of rolled over or transferred benefits.

### **What should the trustee do before signing?**

**IMPORTANT:** Before the fund's trustee(s) sign the certificate they must make sure that:

- items 1-4 above are true; and
- the Fund must both have chosen to be regulated by the Australian Taxation Office (ATO) and have told the ATO of that choice — which the Fund does on the form used to apply for an ABN (Australian Business Number).
