## **Annexure A**

### **Financial Statements (Superannuation Fund)**

It is essential that the directors of the trustee/s read and review the financial report in detail to ensure the information contained therein is satisfactory before signing.

### **Income Tax Return**

The return has been compiled from information supplied to us and, consequently, the accuracy of the return depends on these details. Whilst we have exercised due care and skill in preparing the return, the provisions of the Income Tax Assessment Act place the responsibility of the contents of the return with the taxpayer. Accordingly, please check the details shown to satisfy yourself that the return is correct before signing the electronic lodgement declaration.

### **Electronic Lodgement**

The return will be lodged electronically upon receipt of your signed electronic lodgement declaration. The tax office requires a signed declaration authorising us to lodge the returns electronically. This declaration also certifies that the details in the tax returns are correct.

### **Record Keeping**

The Superannuation Industry Supervisory Act (SISA) requires that you keep all accounting records, financial reports and other relevant documentation for at least 5 years (calculated from the date the records were prepared or obtained, or from the date the transactions or acts to which the records relate were completed, whichever is the later). It is essential that all supporting documentation is retained for the period specified to enable figures in your tax return to be verified.

The SISA requires that all minutes and records of trustee' or directors of the corporate trustee meetings and / or decisions have been kept for a minimum period of 10 year and trustee declarations in the approved form have been signed and kept for each trustee appointed after 30 June 2007.

### **Superannuation Contribution Limits**

Limits are imposed on the amount each member is able to contribute into to superannuation each year. The amounts can vary dependant on the members age and work status, if you are unsure as to what you are able to contribute please contact our office to confirm.

### **Additional Contributions Tax – High Income Earners**

If a Member has personal adjusted taxable income greater than \$300,000 for the 2017 financial year, or \$250,000 for the 2018 financial year, they will be assessed for Division 293 tax on the excess over the threshold or on their concessional contributions, whichever is less. Tax on these concessional contributions will be assessed at a higher rate of 30%, rather than the usual 15% levied on Superannuation Funds. Please contact our office should with wish to discuss additional Contributions Tax.

### **Minimum Pensions**

Each year members who are in pension phase must ensure that they draw at least their minimum pension amount to meet SISA requirements. The minimum amount is worked out by multiplying the member's pension account balance by a percentage factor which is based on age.

### **Funds in Both Accumulation & Pension Phase**

If a Superannuation Fund is in both accumulation and pension phase, the Fund is required to obtain an Actuarial Certificate in order to determine the portion of the net ordinary assessable income which is exempt from income tax. Where an Actuarial Certificate is required, a copy is included for your information. Please contact our office should you wish to discuss this further.

### **Investment Strategy Template**

If an Investment Strategy Template is provided, this is a template only and to be used at your own discretion and is to be tailored to the individual SMSF trustee circumstances. No advice has been provided to you on the appropriateness of your investment strategy. This template does not consider the trustees personal circumstances and is not financial advice. Please obtain the services of a qualified financial adviser if you require advice on the asset allocation, investment selection and insurances for your SMSF.

## **Note 1 - Statement of Significant Accounting Policies**

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

### **(a) Statement of Compliance**

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994* and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

### **(b) Basis of Preparation**

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

### **(c) Use of Accounting Estimates and Judgments**

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

### **(d) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

### **(e) Foreign Currency**

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

### **(f) Valuation of Assets**

#### *Investment*

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *S/SA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

# Pellow Family Superannuation Fund

## Notes to the Financial Statements

### As at 30 June 2020

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

#### *Financial Liabilities*

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

#### *Receivables and Payables*

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

### **(g) Revenue Recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

#### *Interest*

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

#### *Dividend Revenue*

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

#### *Distribution Revenue*

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

#### *Rental Income*

Rent from investment properties is recognised by the Fund on a cash receipt basis.

#### *Movement in market values*

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

#### *Contributions and Rollovers In*

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

**Pellow Family Superannuation Fund**  
**Notes to the Financial Statements**  
**As at 30 June 2020**

## **(h) Income Tax**

The income tax on the benefits accrued as a result of operations for the year comprises current and deferred tax. Income tax expense is recognised in the Operating Statement.

Current income tax expense is calculated by reference to the amount of income taxes payable in respect of the taxable income for the year using tax rates enacted or substantively enacted by reporting date and any adjustment to tax payable in respect of previous years. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as any unused tax losses.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled and their measurements also reflect the manner in which the Trustees expect to recover or settle the carrying amounts of the related assets or liabilities.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax assets can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable that the related tax benefits will be realised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur.

Deferred tax assets and liabilities are offset when a legally enforceable right of set-off exists, they relate to income taxes levied by the same taxation authority and the fund intends to settle the tax assets and liabilities on a net basis in future when they are realised.

The financial report was authorised for issue on 17 June 2021 by the trustee of the fund.

## **Note 2 – Liability for Accrued Benefits**

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	<b>Current</b>	<b>Previous</b>
<b>Liability for Accrued Benefits at beginning of period</b>	255,680	201,161
Benefits Accrued during the period	(21,015)	54,519
Benefits Paid during the period	0	0
<b>Liability for Accrued Benefits at end of period</b>	<b>234,665</b>	<b>255,680</b>

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

## **Note 3 – Vested Benefits**

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

	<b>Current</b>	<b>Previous</b>
<b>Vested Benefits at beginning of period</b>	255,680	201,161
Benefits Accrued during the period	(21,015)	54,519
Benefits Paid during the period	0	0

**RESOLUTIONS OF THE TRUSTEES OF  
PELLOW FAMILY SUPERANNUATION FUND  
PASSED ON 30 JUNE 2020**

**APPROVAL OF  
PREVIOUS MINUTES:**

It was resolved that the minutes of the previous meeting had been signed as a true and correct record.

**ALLOCATION OF  
CONTRIBUTION:**

It was resolved that the contributions received during the year be allocated to members as follows:

<b>Member Name/Contribution type</b>	<b>Amount</b>
<i>Mr Craig Pellow</i>	
Employer	14,000
Government	78
<i>Mrs Beverley Pellow</i>	
Employer	14,000

The contributions will be subject to normal preservation and payment rules under the *Superannuation Industry (Supervision) Regulations 1994 (SISR)*

**REPORTING ENTITY  
CONCEPT:**

It was resolved that, in the opinion of the trustee, the fund is not a reporting entity because it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy specifically all their information needs.

Therefore, the financial statements for the fund are to be prepared on the basis of the fund being a "non-reporting entity", and will therefore take the form of Special Purpose Financial Reports.

**REPORTS AND  
STATEMENTS:**

The Financial Reports consisting of Statement of Financial Position, Operating Statement and Notes to the Financial Statements, Trustee's Declaration, Compilation Report, Auditor's Report and Member Statement for the period ended 30 June 2020 were tabled for consideration at the meeting.

It was resolved that the financial statements be adopted in their present format and that the statement by the trustees attached to the financial reports be signed by the Trustees, stating that:

Dear Trustees

**Pellow Family Superannuation Fund  
Audit Engagement Letter**

**Objectives and Scope of the Audit**

You have requested that we audit the financial statements of the Pellow Family Superannuation Fund for the year ended 30 June 2020. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

**Our Responsibilities**

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

**Trustees' Responsibilities**

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);

- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
  - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;
  - Additional information that we may request from the trustees for the purpose of the audit; and
  - Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

#### **Audit of SIS Compliance**

For the year ended 30 June 2020, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

#### **Report on Significant Matters**

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

### **Quality Control**

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. **Objectives**

The trustee of the Pellow Family Superannuation Fund (the Trustee') has formulated the following investment objectives and strategy in accordance with section 52(2)(f) of the Superannuation Industry (Supervision) Act, 1993 ('SIS Act').

The Trustee aims to:

- Provide superannuation benefits to members and their dependants to meet their retirement needs.
- Ensure that an appropriate mix of investments are held by the Fund to support these needs.

As a general investment objective the Trustee aims to achieve reasonable medium to long term growth whilst maintaining a low level of capital volatility and risk. The Trustee does accept that short term volatility will occur within asset classes however the Trustee will seek sufficient diversification within the Fund's investment portfolio to minimise such risk and volatility, or, resolve to accept concentration risk.

### Investment Strategy

As a means to achieving this objective, the Trustee has determined that the Fund's investments may include but not be limited to all or one of the following:

- Direct equities, stocks and derivatives and including the participation in dividend reinvestment programs and rights issues;
- Property trusts and associated investments;
- Managed investments and associated products;
- Direct residential industrial or commercial property investment;
- Bank and other financial institution securities including term deposits, debentures, secured and unsecured notes and bonds;
- Any other investment which would not jeopardise the complying status of the Fund.

The investment strategy of the fund comprises the following asset allocations:

Asset	Range Percentage
Australian Equities	0 to 0
Australian Fixed Interest	0 to 0
Cash	0 to 15
Direct Property	0 to 0
Foreign Cash	0 to 0
International Equities	0 to 0
International Fixed Interest	0 to 0
Listed Property	0 to 85
Mortgages	0 to 0
Other	0 to 0

These ranges are purely indicative and should allow for market fluctuations. As such the total of the higher range for all asset classes may exceed 100 percent. The Trustee may vary the allocations at any time if satisfied that the current market conditions or the Fund's circumstances warrant such a change. If the Trustees wish to invest outside these parameters, the investment strategy of the Fund must be revised in writing and all decisions minuted.

The Trustee may from time to time seek the professional advice of an accountant, solicitor or financial planner in the formulation of the investment strategy.

In formulating this strategy, the Trustee has taken into consideration relevant features of the investment types in accordance with both the Fund's objectives and the superannuation laws. The Trustee considered:

- The risk and return of the investments;
- Diversification of investments;
- Liquidity and cash-flow requirements; and
- Ability of the Fund to discharge its liabilities.

### **Liabilities**

The Trustees have considered permitted fund liabilities, including the requirements, risks and opportunities associated with limited recourse borrowing arrangements.

### **Insurance**

The Trustees have considered and consulted Professional Advice where necessary to ensure that all fund members have the correct type and level of insurance. Insurance may be held within or outside the Pellow Family Superannuation Fund.

### **Policies**

The policies adopted by the Trustee in order to achieve these objectives are:

- Regular monitoring of the performance of the Fund's investments which would cover the rate of return in income and capital growth, the risk profile of the overall investment mix and the expected cash flow requirements of the Fund.
- Balancing the Fund's investment portfolio due to changes in market conditions.

The Trustee aims to ensure investments of the Fund continue to comply with the overall strategy and so may review the strategy as required however it will be reviewed at least annually and the Trustee reserves the right to change the strategy at any time.
