- TRUST DEED:** The Trustee noted that payment of benefits as an account based pension was allowed under the fund's trust deed.

The member is to be requested to advise their preferred pension income.  
  
The Trustee will consult the superannuation fund's accountant to provide assistance with calculating the annual pension amounts, including tax and the pension tax offset.
- INVESTMENT STRATEGY:** Given that the fund's current investment strategy provides sufficient liquidity to enable the Trustee to meet all pension payments, the Trustee resolved that the fund's strategy remains unchanged following the commencement of the pension.

This is to include any changes that are required to be made to the accounting and administration records of the superannuation fund. (This could include the segregation of assets, the recording of the member as being in the pension phase so that the accounting system will correctly calculate exempt current pension income and recording of the member's account balance as unrestricted non-preserved.)
