Attribution Managed Investment Trust (AMIT) regime

Perpetual Investment Management Limited, as the responsible entity, elected into the AMIT regime for the Funds included on this AMIT Member Annual (AMMA) statement.

Investors are subject to tax on the income of the Fund that is attributed to them. The income that has been attributed to you is based on the distributions you have received.

Joint accounts

If this tax statement is for a joint account, it includes 100% of all amounts relevant to the joint account and does not split them between each joint account holder.

Member advice fees

The deductibility of any member advice fee depends on why the amount was paid. If it was paid for the purpose of drawing up a new investment or financial plan, the amount will not be deductible. In contrast, a fee paid for the on-going management of an investment portfolio, which can include the switching of investments, may be deductible. You can turn off the member advice fee at any time by instructing us in writing.

CGT Information

If you are a corporate or a superannuation entity, the capital gains information in Part B of this tax statement will not be applicable to you.

Please refer to our Guide which will assist you with the information provided on this tax statement.

Important notes

Additional explanation of fees and costs

'Direct fees' are fees that are deducted from your account during the statement reporting period. If charged, these will appear under 'Transactions'.

'Estimated management costs' includes the management fee, performance fees (if applicable), estimated indirect costs and estimated expenses of running the Fund that are deducted from the Fund rather than your account. These fees do not appear under 'Transactions'.

The indirect costs that form part of this estimated management cost in this statement is based on the fees and costs information currently available for the Fund for the 2018/2019 financial year.

Transaction Costs

The current buy/sell spread, and estimated net transaction costs, is publicly available at our website or can be obtained free of charge by contacting us.

Roundings

On your statement we display both the number of Units and Unit prices rounded to three decimal places. However, since transaction amounts and balance are actually calculated using unrounded Units and Unit prices, they may not exactly match the displayed number of Units multiplied by the Unit price.

Annual financial reports

The annual financial reports are available on our website at <http://www.perpetual.com.au/annual-reports>. A hard copy by mail is available free of charge on request.
