#### Notes to the Financial Statements

For the year ended 30 June 2021

#### Note 1: Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared for distribution to members to satisfy the accountability requirements of the Superannuation Industry (Supervision) Act 1993 and the Trust Deed. The Trustees have determined that the fund is not a reporting entity. The following is a summary of the material accounting policies adopted by the fund in the preparation of the financial report.

#### Measurement of Assets

Assets of the fund have been measured at net market values after allowing for costs of realisation. Changes in the net market value of assets are brought to account in the operating statement in the periods in which they occur.

Net market values have been determined as follows:

- (i) Shares in listed companies, government securities and other fixed interest securities by reference to the relevant market quotations at the reporting date;
- (ii) Mortgage loans by reference to the outstanding principal of the loans;
- (iii) Units in managed funds by reference to the unit redemption price at reporting date;
- (iv) Insurance policies by reference to the surrender value of the policy; and
- (v) Property, Plant and equipment at trustees' assessment of their realisable value.

#### Liability for Accrued Benefits

The liability for accrued benefits is the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the sundry liabilities and income tax liabilities as at reporting date.

#### Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income and deferred tax expense (income).

Current income tax expenses charged to the profit or loss is the tax payable on taxable income calculated using the applicable income tax rates enacted, or substantially enacted, as at reporting date. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid (recovered from) the relevant taxation authority.

Future income tax benefits are not brought to account unless there is virtual certainty of realisation of the asset or tax loss as the case may be.

The fund brings to account the future tax liability and corresponding expense for unrealised capital gains. Due to the uncertainty of realisation no future tax benefit is recognised for unrealised capital losses.

As the fund is a full pension fund, the net fund income is exempt pension income and hence there is no income tax liability on earnings.

Superannuation Contributions Surcharge (abolished from 1/7/05)

The trustees are unable to determine the amount of the surcharge liability for the current reporting period with sufficient accuracy for inclusion in the financial report until an assessment is received from the Australian Taxation Office. The fund recognises superannuation contributions surcharge as an expense at the time of receipt of an assessment and the cost is charged to the relevant member's account.

### **Declaration Instructions**

Please read this page carefully before completing this declaration.

### When should this declaration be completed?

Complete this declaration if you would like your tax agent to prepare and lodge your tax return and any applicable schedule or notification of a consolidated group via an approved ATO electronic lodgement channel.

#### About this declaration

The declaration is divided into four parts:

**PART A** (Compulsory) - Taxpayer's declaration relating to an approved ATO electronic lodgement channel component of lodgement of a tax return.

As your tax return or request for amendment is to be lodged via an approved ATO electronic lodgement channel, you are required to complete Part A of this declaration. This gives your tax agent the authority to lodge via an approved ATO electronic lodgement channel your tax return or request for amendment.

**PART B** (Optional) - Taxpayer's consent relating to the electronic funds transfer (EFT) of an anticipated income tax refund.

If you are expecting a tax refund, it is to be deposited by EFT to a bank account. You must provide the name of the account at Part B of this declaration (BSB and account number details are to be included on the tax return). If the account is your tax agent's account include the agent reference number at part B of this declaration.

Note: Care should be taken when completing EFT details, as the amount refundable will be paid into the account named on this declaration and transmitted via an approved ATO electronic lodgement channel.

**PART C** (Optional) - Taxpayers declaration relating to schedules that are also being transmitted with the return form.

If either an Interposed Entity Election/Revocation or Family Trust Election/Revocation schedules are being transmitted with a return form, the taxpayer must sign the declaration in relation to the schedule. Other schedules transmitted with a return do not require a declaration to be made.

**PART D** (Compulsory if a share facility user) - Tax agent's declaration relating to the taxpayer's authorisation.

If the taxpayer has authorised the lodgement of their tax return via an approved ATO electronic lodgement channel by completing Part A of this declaration, and you (the tax agent) are registered and lodging with an approved ATO electronic lodgement channel under the shared facility arrangements, you must complete Part D.

Legislation requires that the original declaration be maintained by the taxpayer for a period of five years, penalties may apply for failure to do so.

#### PART A

### **Electronic Lodgement declaration (Form F or SMSF)**

This declaration is to be completed where the tax return is to be lodged via an approved ATO electronic lodgement channel. It is the reponsibility of the taxpayer to retain this declaration for a period of five years after the declaration is made, penalties may apply for failure to do so.
