IMPORTANT INFORMATION ABOUT YOUR STATEMENT

Statement transactions

This statement only lists those transactions that we processed on your account for the period shown. Any transactions processed earlier that are due and payable within this period are included in the opening balance. This statement may not cover all your dealings with us. For example, you may have amounts outstanding in relation to other accounts or current legal, release or dispute actions. You can find out the current balance of your account and details of other accounts by phoning us on the numbers listed below.

When you make a payment

You need to use the payment reference details on page three when you make your payment to ensure the amount is applied to the correct sub-accounts (for example, Co-contribution recovery). If you don't, we will allocate the amount to one of your debts according to a payment hierarchy; this may not be the debt you wanted to pay. If your payment results in a credit on one of your sub-accounts we do not automatically use this credit to pay a debt on another sub-account.

Explanation of terms

The process date is the date that we processed a particular transaction.

The effective date is the date we use for the calculation of general interest charge and other penalties or interest. It is also the due date of any liabilities.

General interest charge (GIC)

Where any amount is not paid by the due date, GIC accrues on the outstanding balance until the entire amount has been paid. Interest is calculated on a daily compounding basis. GIC is currently imposed at a rate of 7.91% per annum (reviewed every three months). The GIC is tax deductible in the year that it is incurred.

GIC remission - You can request remission of GIC. We may remit the GIC if satisfied that the delay was due to circumstances beyond your control and you took reasonable steps to lessen the effects of those circumstances. We may also remit GIC in other circumstances where this would be fair and reasonable.

Rollover benefits statement for unclaimed superannuation money

Dear Sir/Madam

The following member has nominated to rollover their unclaimed superannuation money held by the Australian Taxation Office.

If you're unable to accept this rollover superannuation benefit payment you will need to complete a *Superannuation payment variation advice* form and return it with the payment on or before 21 April 2020. You will need to include the contributions reference number for that member.

To obtain the payment reference number or to request more information about making a payment, phone **1800 815 886**.

Where any amount is not repaid by the due date, a general interest charge accrues on the outstanding balance until the entire amount has been paid. Interest is calculated on a daily compounding basis and is currently imposed at a rate of 7.91% per annum.

You can claim a general interest charge as a tax deduction in the same financial year that it accrues against your account.
