Lauren,

This stock was transferred to the Canadian Stock exchange a couple of years ago.  
 We tried to sell but in the end was too hard to execute so left there but changed so divs went into wrap cash account as you have stated.  
 It doesn't sit on the wrap platform as it was transferred out years ago.  
 I can send you old slip but that's all I have? Has my old address as well that I can't change.  
 Have spoken to Paula in the past about it so unsure what has happened previous years.  
 Meeting with Dave and Fran and will discuss again.

Sorry I couldn't of been more help.  
 Come back to me if there is any other options you may have.

Thanks.
