Good Morning Tony,

**RE: CRYPTOCURRENCY INVESTMENT**

I am one of the directors of the trustee company of the Lovisa Super.

I wish to advise the following regarding the crypto-currency investment held by the Super Fund:

- Any cold and hot (online and offline) wallets are held by the Super Fund;
- Trustees can recover the asset and their private keys and passwords are safe;
- The wallet they use is secure and not used for personal transactions;
- Any investment in Cryptocurrencies was not purchased from a related party;
- Trustees have considered the risk and permit the investment in Cryptocurrency.

Should you have any further queries or wish to discuss the above, please do not hesitate to contact me,

Kind regards,

Noel Lovisa  
Trustee
