If you want to dispute any transactions on your account

You should always check the transactions on your statement to make sure they're correct. If you'd like to dispute a transaction, contact us at info@ampbanking.com.au or on 13 30 30. You can also refer to our **account access and operating terms and conditions**. It outlines our internal dispute resolution process and includes other details about using your account. You can get a copy at amp.com.au/bankterms or by calling us.

Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Don't disclose any of your Security Access Codes to anyone.
- Choose Security Access Codes that are unique and difficult to guess. If you need to keep a record, protect it by disguising it, storing it in a safe place and separate from your Devices.
- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to amp.com.au/securityguidelines for more information on keeping your account safe and secure.

If you use the 'credit' button, purchase goods online or over the phone or transact using Contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit amp.com.au/bankdisputes for more information.
