Dear Investor

2021 Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement")

Please find enclosed your Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement") in respect of your investment in the Platinum Trust Funds ("Funds"). If you are invested in more than one Fund, we have for convenience also enclosed a summary report which consolidates the AMMA Statements.

The distribution amount attributed to you is primarily influenced by the:

- level of realised gains made on equities; and
- level of realised gains made on derivative contracts (including currency hedging contracts).

Some further information is provided below on the components titled "Australian Source Income", "Foreign Source Income" and "Capital Gains - NTAP", which may appear on the AMMA Statement:

**Australian Source Income:**

- a) Franked Dividends - represents franked dividend income after allocation of deductions. The franking credit tax offset amount is the amount of franking credits excluding any deductions. Franked dividend income may be less than the franking credit tax offset due to deductions.
- b) Other Income - includes gains relating to derivative contracts.

**Foreign Source Income:**

- c) Foreign Source Income - includes non-AUD interest, dividends and gains relating to derivative contracts.

**Capital Gains - Non-Taxable Australian Property (NTAP):**

- d) Other - represents capital gains realised on assets disposed of and not held for more than 12 months.
- e) Discount - represents 50% of the capital gains on disposal of assets that have been held for more than 12 months.
- f) Other Capital Gains Distribution - represents the total amount of cash distributed in relation to all capital gains not already reflected in the capital gain amounts above.
- g) AMIT CGT Gross Up Amount - the gross up of the Discount Capital Gains.
- h) Offset for Capital Gains - NTAP - capital gains tax may be applied by foreign tax authorities on disposals of investments held in the relevant foreign jurisdiction. Where such amounts are applied, investors may be entitled to a foreign income tax offset in respect of the taxes paid. Such tax offsets have been recorded against capital gains - NTAP in the AMMA Statement.

The tax treatment of capital gains and losses is complex, and how it applies to you will depend on the type of taxpayer that you are (e.g. an individual, superannuation fund, trust or company) and your specific tax circumstances.

If you elected the 'fixed cash distribution' option\*, a Fixed Cash Distribution Summary is enclosed and sets out how this option was applied to your distribution.

We have also prepared some information in relation to the completion of your 2021 tax return. The information is enclosed with this letter and your AMMA Statement. The information has been prepared with only Australian tax resident individuals in mind and assumes that the Platinum Trust Funds are your only investment. It is not relevant for superannuation funds, trusts or corporations. Neither this letter nor the additional information, constitute taxation advice or any other professional advice. Platinum strongly recommends that you obtain professional advice from an accountant or tax adviser regarding the completion of your 2021 tax return and your particular tax circumstances.

Please also note that if you withdrew any units in one or more of the Funds during the period 1 July 2020 to 30 June 2021, you will shortly receive a separate Withdrawal Capital Gains Tax (CGT) Statement showing a summary of your capital gains and losses for the 2021 financial year.

- Capital gains distributed to non-residents may include both Australian and foreign capital gains; such gains continue to be exempt from Australian tax as they are not in relation to taxable Australian property. These capital gains are therefore labelled above as non-taxable Australian property (NTAP).
- (Australians Only) The amount in the 'Attribution (\$)' column needs to be increased by the AMIT CGT Gross Up Amount and offset by any capital losses you may choose to apply before applying your appropriate discount concession (ie 50% for individuals and trusts and 33.3% for complying superannuation entities).
- This represents the total amount of cash distributed in relation to all capital gains not already reflected in the capital gain amounts above.
- AMIT CGT Gross Up Amount represents the gross up of the Discount Capital Gains.

The AMIT cost base net amount is nil.
