Anniversary notice for Accelerated Protection
Policy Number: 1705922

Dear Trustee

We are writing to let you know that your **policy is approaching its anniversary**. In this letter, you'll find important information that explains any updates to your policy and premium changes. To assist you to understand some important Life Insurance terminology, we have included a more detailed explanation in the Glossary at the end of this letter.

Your benefit amount and new premium is set out below:

| Person Insured | Benefit Amount | Your New Premium |
|-----------------------------|----------------|------------------|
| Trajce Mojsoski | | |
| Life Insurance Plan | \$915,075 | |
| You pay your policy monthly | | \$67.85 |

Your next payment amount may differ from your new premium if you have a credit or outstanding amount due on your policy.

How is your premium calculated?

When you first purchased your policy, we used the information you provided, including your health and product choices, to set your initial premium. Each year we review your premiums. The premium type you chose, such as stepped or level premium, and whether you selected inflation protection which increases your benefit amount with inflation, affects how your premium may rise. Finally, we look at discounts that may need to be applied.

The Glossary gives you more information about stepped and level premiums & inflation protection. You can also find complete details of your cover and your chosen options in the last Policy Schedule issued to you.

What you need to do

Because you have chosen to pay via direct debit, your premium will be debited from your account on the 26th of each month following your policy anniversary on 26 August 2019.

- Please take the time to check your policy details are correct and ensure you have funds available to pay your premium.
- Now is also a good time to think about whether your circumstances have changed. Many events like a marriage, the birth of a child, or a change to your mortgage debt can be worth discussing with your adviser, to ensure your policy still aligns with your goals.

Privacy

We have recently updated the TAL Privacy Policy which is available on our website at www.tal.com.au/Privacy-Policy or is free of charge on request.

Your adviser is Troy Mojsoski • (02) 4284 5212 • troy@bluechipsuper.com.au

What you need to know about your policy

As part of our commitment to the Life Insurance Code of Practice, it is important to inform you that before making any changes, such as cancelling or replacing this policy, there are risks you need to consider. For example, the same cover may not be available to you, you may not be eligible for any cover, or may be offered cover on different terms, even if your new policy is with TAL.

Please talk to TAL or your adviser if you wish to change the terms of your policy, are having difficulty meeting your payments, or want information in the event of a claim.

Glossary

To understand more about pricing, refer to the original PDS issued to you.

Benefit Amount

Benefit or Benefit Amount means the monthly amount or lump sum amount, as shown on your Policy Schedule, that we will pay you upon receipt of and acceptance by us, of a valid claim for the respective Plan on your Policy.

Cover

Cover or Covered refers to the circumstances in which a Benefit Amount is payable in accordance with your Policy. The Cover your Policy provides is shown in your Policy Schedule.

Inflation Protection

If you selected Inflation Protection, we will increase the Benefit Amount to keep up with inflation as per the terms stated in your original PDS. If this applies to your policy we will increase your benefit amount at each policy anniversary and a new premium will be calculated to incorporate the increased Benefit Amount using your current Age and Premium Type (i.e. Stepped or Level Premium).

You can choose to decline this increase at each policy anniversary or remove Inflation Protection for future policy anniversaries.

Level Premium

If you choose Level Premiums, the premium is based on your age at the Plan start date. The below are some factors to help you understand what can cause your Level Premiums to increase:

- your Benefit Amount increases (including as a result of Inflation Protection);
- you include a new Plan or benefit option;
- we review our costs and pricing;
- if we increase the premium rate across all policyholders;
- If you choose 'level to 65' premiums, your premiums will convert to stepped premiums on the policy anniversary before age 65.
- If you choose 'level to 70' premiums, your premiums will convert to stepped premiums on the policy anniversary before age 70.
- If a Policy discount no longer applies or Government duties or charges increase.

Plan

Plan means how your policy has been designed, and refers to insurance benefits and options under Life insurance, Critical Illness insurance, Child's Critical Illness insurance, TPD insurance and Income Protection insurance. Your original Policy Schedule outlined the Plans applicable to your policy at the time. Your anniversary notice outlines the Plan at each policy anniversary.

Premium

This is the amount you must pay to maintain your policy. This also includes Fees, Government duties and charges and discounts if applicable. Premium payments can be made monthly, quarterly, half-yearly or yearly.

Premium Type

Your premium type is the way your premiums are calculated as you age. These can be either level or stepped premiums, to suit your financial strategy.

Stepped Premium

If you choose stepped premiums, the premium is calculated based on your total benefit amount (with or without inflation) and your age as at each policy anniversary. The premium will generally increase at each policy anniversary.

If your Account does not have sufficient clear funds, TAL may issue instructions to the Bank for the direct debit drawing of the Payment Amount as soon as your Account has sufficient clear funds or seek payment from you separately.
- 5.3** If TAL is informed by the Bank that a direct debit drawing cannot be made from your Account for any reason whatsoever, you can either make a payment of the amount due to TAL separately or TAL in their discretion will debit your account for the arrears. No action or inaction by TAL will operate as a waiver of your obligation to make a relevant payment to TAL.
- 5.4** The bank may collect fees and charges (including fees and charges for dishonoured direct debit drawings) in relation to your Account. Such fees and charges are subject to the terms and conditions relating to your account as established by the Bank. Information on all fees and charges should be requested from the Bank.

- 6.2** TAL is only obliged to act on any instruction issued to it within five business days after the date on which it receives the instruction.
- 6.3** You must inform TAL of any direct debit drawing which has been made from your Account which is not authorised or if there is any mistake in processing any direct debit drawing from your Account.
- 6.4** If you discover that the amount TAL was authorised to draw from your account:
 - is greater than the amount due to TAL, you may contact TAL for a refund
 - is less than the amount due to TAL, you must make a separate payment for the shortfall to TAL. You remain at all times responsible to make full and complete payment of each amount due to TAL.
