Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the Superannuation Industry (Supervision) Act 1993 and Regulations 1994 and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of SISA 1993, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

Market values for various types of investment have been determined as follows:

- listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

(h) Income Tax

The income tax on the benefits accrued as a result of operations for the year comprises current and deferred tax. Income tax expense is recognised in the Operating Statement.

Current income tax expense is calculated by reference to the amount of income taxes payable in respect of the taxable income for the year using tax rates enacted or substantively enacted by reporting date and any adjustment to tax payable in respect of previous years. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as any unused tax losses.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled and their measurements also reflect the manner in which the Trustees expect to recover or settle the carrying amounts of the related assets or liabilities.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax assets can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable that the related tax benefits will be realised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur.

Deferred tax assets and liabilities are offset when a legally enforceable right of set-off exists, they relate to income taxes levied by the same taxation authority and the fund intends to settle the tax assets and liabilities on a net basis in future when they are realised.

The financial report was authorised for issue on 1 March 2022 by the directors of the trustee company.

Note 2 - Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	Current	Previous
Liability for Accrued Benefits at beginning of period	2,180,814.98	1,421,603.53
Benefits Accrued during the period	295,699.30	759,211.45
Benefits Paid during the period	0.00	0.00
Liability for Accrued Benefits at end of period	2,476,514.28	2,180,814.98

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 - Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

Vested Benefits at end of period	2,476,514.28	2,180,814.98
Benefits Paid during the period	0.00	0.00
Benefits Accrued during the period	295,699.30	759,211.45
Vested Benefits at beginning of period	2,180,814.98	1,421,603.53
	Current	Previous

Note 4 - Guaranteed Benefits

No guarantees have been made in respect of any part of the liability for accrued benefits.

Note 5 – Funding Arrangements

No fixed funding arrangements were in place for the Fund as at year end.

Compilation Report to the Trustees and Members of Stirling Superannuation Fund

ABN 13 991 853 001 For the period 1 July 2020 to 30 June 2021

On the basis of the information provided by the Trustees of Stirling Superannuation Fund, we have compiled the accompanying special purpose financial statements of Stirling Superannuation Fund for the period ended 30 June 2021, which comprise the Statement of Financial Position, Operating Statement, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1 to the financial statements.

The Responsibility of Trustees

The Trustees of Stirling Superannuation Fund are solely responsible for the information contained in the special purpose financial statements. The reliability, accuracy and completeness of the information and for the determination that the financial reporting framework / basis of accounting used is appropriate to meet the needs of the members and for the purpose that the financial statements were prepared.

Our Responsibility

On the basis of information provided by the Trustees of Stirling Superannuation Fund, we have compiled the accompanying special purpose financial statements in accordance with the financial reporting framework/basis of accounting as described in Note 1 to the financial statements and **APES 315**: **Compilation of Financial Information**.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the financial reporting framework / basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of **APES 110** Code of Ethics for **Professional Accountants**.

Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion¹ on these financial statements

The special purpose financial statements were compiled exclusively for the benefit of the Trustees of the fund who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.

Signature of Accountant Dated: 1 March 2022

Name of Signatory: Mr Andrew Pullen

Address: 18 Redfern Street Cowra, NSW 2794

¹ Refer to AUASB Standards for the issuance of audit opinions and review conclusions

Self-managed superannuation fund annual return

Who	should	complete	this	annual	return?

Only self-managed superannuation funds (SMSFs) can complete this annual return. All other funds must complete the Fund income tax return 2021 (NAT 71287).

- TheSelf-managed superannuation fund annual return instructions 2021 (NAT 71606) (the instructions) can assist you to complete this annual return.
- The SMSF annual return cannot be used to notify us of a change in fund membership. You must update fund details via ABR.gov.au or complete the Change of details for superannuation entities form (NAT 3036).

To complete this annual return

- Print clearly, using a BLACK pen only.
- Use BLOCK LETTERS and print one character per box.

SIT

- Place X in ALL applicable boxes.
- Postal address for annual returns:

Australian Taxation Office GPO Box 9845 [insert the name and postcode of your capital city]

Section K: Declarations

Penalties may be imposed for false or misleading information in addition to penalties relating to any tax shortfalls,

Important

Before making this declaration check to ensure that all income has been disclosed and the annual return, all attached schedules and any additional documents are true and correct in every detail. If you leave labels blank, you will have specified a zero amount or the label was not applicable to you. If you are in doubt about any aspect of the annual return, place all the facts before the ATO.

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). We will use the TFN to identify the entity in our records. It is not an offence not to provide the TFN. However if you do not provide the TFN, the processing of this form may be delayed.

Taxation law authorises the ATO to collect information and disclose it to other government agencies. For information about your privacy go to ato.gov.au/privacy

TRUSTEE'S OR DIRECTOR'S DECLARATION:

I declare that, the current trustees and directors have authorised this annual return and it is documented as such in the SMSF's records. I have received a copy of the audit report and are aware of any matters raised therein. The information on this annual

return, including any attached schedules and		rue and correct.

GAHAN PROPERTY SERVICES PTY LIMITED

28/09/2021

Mrs Victoria Patterson "Brittas" 181 Breens Road Nyrang Creek NSW 2804

Dear Victoria,

Re: Appraisal of "Part Brittas-Nerida" Nyrang Creek NSW 2804

We have been asked to undertake a retrospective appraisal of "Part Brittas - Nerida", Nyrang Creek as a whole for superannuation purposes as of June 30th 2021. Our enquiries have confirmed that the subject land is zoned RU1 Primary Production and has a total area of 258.9 hectares. This appraisal is issued on an unrestricted freehold basis. The title particulars of the property are as follows:

LOT	DEPOSITED PLAN	PARISH/ COUNTY	LOCAL GOVERNMENT AREA
61	750134	Belubula/ Ashburnham	Cabonne
12	1201760	Belubula/ Ashburnham	Cabonne
2	1079078	Belubula/ Ashburnham	Cabonne
2	874103	Belubula/ Ashburnham	Cabonne

The subject property is located approximately 13 kilometres west of Canowindra. The subject property is accessed via Breens Road and Lawrences Road which intersects with Nyrang Road. Canowindra is the closest major town and has a population of about 1,500 people and there are about 13,000 people in the shire. Sydney is located about 317 kilometres to the east, while Canberra is approximately 210 kilometres to the south.

PROPERTY DESCRIPTION

Topography & Soils

The soils comprise a combination of red brown loams and some basalt soils and gravelly ridges. The topography ranges from level to gently sloping.

Paddocks

The holding is fenced into 7 main paddocks. Fencing materials include hinged joint on steel and timber supports.

Arable

Part Brittas is is approximately 95% arable. The part known as Nerida is best described as a grazing block but some areas are arable.

Water

The property is watered by 5 dams including 1 very large dam. The creek does not provide a permanent supply of water.

Rainfall

The average annual rainfall is approximately 600 mm per annum.

Timber

Most of the timber on the subject land comprises Kurrajong, White Box and Yellow Box.

Pasture & Fertiliser

Part Brittas has been cropped in recent years and is currently sown to lucene. Fertiliser has been used in the cropping process and we understand the property has also been limed. Nerida is mostly a grazing block and is generally without any introduced pastures.

Weeds

On the date of inspection no serious weed problem was observed.

Land Use

The usual farming program includes the production of wheat, barley and canola. Livestock are also grazed on the land. The holding is farmed in conjunction with other lands.

Services

Electricity is connected to the land.

Nerda - 4870K

Occupancy

The property is without a dwelling. However working improvements include an old style shearing shed, machinery shed (339m²) modern barn style shed (143m²) sheep yards and 2 silos.

Rental Value

We consider the lease value for Part Brittas – Nerida to be \$53,000 (fifty three thousand dollars) per annum plus GST

We certify that we have inspected the subject property and are of the opinion the appraised Value subject to vacant possession, satisfactory title search, survey of lands and buildings to confirm areas as provided and detailed herein and there being no outstanding or latent Orders issued or to be issued by Cabonne Shire Council requiring alteration or modification of the property under the relevant ordinances of the Local Government Act, 1993 is in the sum of:-

\$1,450,000(One million, four hundred & fifty thousand dollars)

Excluding GST as at 30th June 2021

This appraisal is to be regarded as confidential to the party to whom it is addressed namely Mrs Victoria Patterson and is intended for the use of this party only and for no other purpose. Consequently, and in accordance with current practice, no responsibility is accepted to any third party who may use or rely on the whole or any part of its contents. Before the report or any part of it is reproduced or referred to in any document, circular or statement, our written approval as to the form and context of such publication must be obtained.

This appraisal is current at as the date of appraisal only. The value assessed herein may change significantly unexpectedly over a relatively short period (including as a result of general market movements or factors specific to the particular property). We do not accept liability for losses arising from such subsequent changes in value. Without limiting the generality of the above comment, we do not assume any responsibility or accept any liability where the appraisal is relied upon after the expiration of three months from the date of appraisal, or such earlier date if you become aware of any factors that have any effect on the appraisal.

Yours faithfully,

Anthony M Gahan LREA 185253

Goodman Group **Annual Tax Statement 2021**

Fully paid ordinary securities for the year ended 30 June 2021

This statement reflects distributions that should be included in your Tax Return for the 2020-21 financial year.

Please use this Annual Tax Statement for completing your Tax Return and not interim distribution statements provided at the time of the payments since annual taxable amounts can be determined only after the close of the financial year. This statement should be read in conjunction with the enclosed Goodman Group Tax Return Guide 2021.

Please retain this statement for income tax purposes.
