### BetaShares funds and AMIT

BetaShares funds are governed by the Attribution Managed Investment Trust tax rules (AMIT). The AMIT rules were introduced to simplify and make fairer the taxation of investors holding managed investment funds. Under these rules, the taxable income attributed to you for a fund's income year may be different to the cash distribution(s) you receive during the year. This can give rise to a cost base adjustment disclosed in Part E of this statement. This cost base adjustment should be taken into account upon disposal of the units when calculating your capital gain/loss.

You will be assessed for tax on the amount attributed to you by BetaShares, and this is the amount you must include in your tax return. Please refer to <https://www.betashares.com.au/tax> for further information about the AMIT tax regime.
