The fee amounts set out in this statement are inclusive of GST and net of the benefit of any reduced input tax credits claimed by the Fund.

Net return summary

This statement does not show your return on investment during the period on an individual basis as the price at which you executed transactions on the securities exchange is not provided to us. You can calculate your investment return using transaction prices provided by the broker who executed the transactions. Investment returns are set out below. More information on investment returns can be found at <https://www.magellangroup.com.au/>. The investment objective of the Fund is to achieve attractive risk-adjusted returns over the medium to long-term while reducing the risk of permanent capital loss. The Responsible Entity reasonably considers that the Fund's performance, including the investment returns below and the benefits for investors outlined in the 'Significant Benefits' heading of the Fund's current Product Disclosure Statement, is consistent with the investment objectives of the Fund since inception.
