3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2021 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and

To the SMSF trustees

To the SMSF trustees of RPCL SUPERANNUATION FUND

Part A: Financial report

Opinion

I have audited the special purpose financial report of the RPCL SUPERANNUATION FUND comprising the statement of financial position as at 30 June 2021, and the operating statement, a summary of significant accounting policies and other explanatory notes of the RPCL SUPERANNUATION FUND for the year ended 30 June 2021.

In my opinion, the financial report presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial report, the financial position of the fund at 30 June 2021 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards¹. My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to this audit and as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm or network firm did not prepare the financial statements for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Basis of accounting

Without modifying my opinion, I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist RPCL SUPERANNUATION FUND meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations 1994* (SISR). As a result, the financial report may not be suitable for other purposes.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement

¹ The Australian Auditing Standards issued by the Auditing and Assurance Standards Board.

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Part B: Compliance engagement

Opinion

I have undertaken a reasonable assurance engagement on RPCL SUPERANNUATION FUND's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2021.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85,103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

In my opinion, each trustee of RPCL SUPERANNUATION FUND has complied in all material respects, with the listed provisions for the year ended 30 June 2021.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standards ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF trustee's responsibilities

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor's responsibilities

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2021. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee have complied, in all material respects, with the listed provisions for the year ended 30 June 2021.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2021.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2021 does not provide assurance on whether compliance with the listed provisions will continue in the future.

9. **Significant assumptions**

We believe that significant assumptions used by us in making accounting estimates are reasonable.

15. Outstanding legal action

We confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for and appropriately disclosed in the financial report.

There have been no communications from the ATO concerning a contravention of the SISA or SISR which has occurred, is occurring, or is about to occur.

16. Going Concern

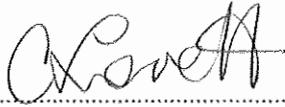

We confirm we have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

Yours faithfully

Dear Sir/Madam

**Audit Engagement of
RPCL SUPERANNUATION FUND
Year / period ended 30 June 2021 and future years**

The purpose of this audit engagement letter for the above named fund is to set out clearly various aspects of this engagement and details of our respective responsibilities.

The Objective and Scope of the Audit

You have requested us to conduct independent audit the RPCL SUPERANNUATION FUND ("The Fund"):

1. financial report, which comprises the statement of financial position as at 30 June 2021 and the operating statement for year ending 30 June 2021 and the notes to the financial statements; and
2. compliance during the same period with the requirements of the *Superannuation Industry (Supervision) Act 1993* (SISA) and *SIS Regulations* (SISR) specified in the approved form auditor's report as issued by the Australian Taxation Office, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109 and 126K of the SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of the SISR.

We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our engagement will be conducted pursuant to the SISA with the objective of our expressing an opinion on the financial report and the Fund's compliance with the specified requirements of the SISA and SISR.

The Responsibilities of the Auditor

We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB). These standards require that we comply with relevant ethical requirements, including those pertaining to independence, and to plan and perform the audit in order to obtain reasonable assurance as to whether the financial report is free from material misstatement and that you have complied, in all material respects, with the specified requirements of the SISA and SISR.

The annual audit of the financial reports and records of the Fund must be carried out during and after the end of each year of income. In accordance with section 35C of the SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in the SISR, 28 days after the trustees have provided all documents relevant to the preparation of the auditor's report.

Financial Audit

A financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report. Due to

the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that some material misstatements may remain undiscovered.

In making our risk assessments, we consider internal controls relevant to the Fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the Fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a letter to the trustees.

Compliance Engagement

A compliance engagement involves performing assurance procedures to obtain evidence about the Fund's compliance with the provisions of the SISA and SISR specified in the ATO's approved form auditor's report.

Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the Fund, which has been reviewed regularly and gives due consideration to risk, return, liquidity, diversification and the insurance needs of members'. Our procedures will include testing whether the investments are made for the allowable purposes and in accordance with the investment strategy and legislative requirements, but not for the purpose of assessing the appropriateness of those investments to the members.

The Responsibilities of the Trustees

We take this opportunity to remind you that it is the responsibility of the trustees to ensure that the Fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the Fund. The trustees are also responsible for the preparation and fair presentation of the financial report.

Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report and for determining that the accounting policies used are consistent with the financial reporting requirements of the SMSF's governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members.²²⁵ This responsibility includes:

- Establishing and maintaining controls relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error. The system of accounting and internal control should be adequate in ensuring that all transactions are recorded and that the recorded transactions are valid, accurate, authorised, properly classified and promptly recorded, so as to facilitate the preparation of reliable financial information. This responsibility to maintain adequate internal controls also extends to the Fund's compliance with SIS including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements;
- Selecting and applying appropriate accounting policies;
- Making accounting estimates that are reasonable in the circumstances; and
- Making available to us all the books of the Fund, including any registers and general documents, minutes and other relevant papers of all trustee meetings and giving us any information, explanations and assistance we require for the purposes of our audit. Section 35C(2) of SIS requires that trustees must give to the auditor any document, relevant to the conduct of the audit, that the auditor requests in writing within 14 days of the request.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

Our auditor's report is prepared for the members of the Fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the Fund, or for any purpose other than that for which it was prepared.

Independence

We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of the SISA and SISR, including APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)*, in relation to the audit of the Fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

Report on Matters Identified

Under section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the ATO of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of the materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be, or maybe about to become unsatisfactory.

You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matters that you should be aware of in meeting your responsibilities. The completed auditor's report may be provided to you as a signed hardcopy or a signed electronic version.

Compliance Program

The conduct of our engagement in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements means that information acquired by us in the course of our engagement is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent. However, our audit files may be subject to review as part of the compliance program of a professional accounting body or the ATO. We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this compliance engagement will be made available under these programs. Should this occur, we shall advise you. The same strict confidentiality requirements apply under these programs as apply to us as your auditor.

Limitation of liability

As a practitioner/firm participating in a scheme approved under Professional Standards Legislation, our liability may be limited under the scheme.

Fees

Our standard fee for providing this service to your superannuation fund in respect of the year ended 2021: \$863.50

Other

This letter will be effective for future years unless we advise you of its amendment or replacement, or the engagement is terminated.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our financial audit and compliance engagement of the Fund.

Yours faithfully,
Richard Holm

INVESTMENT OBJECTIVES AND INVESTMENT STRATEGY
FOR
THE RPCL SUPERANNUATION FUND
INVESTMENT POLICY STATEMENT

The Rpcl Superannuation Fund ("The Fund") is a regulated Superannuation Fund established on 8th March 2016 to provide benefits for Member(s) as well as death/disablement protection for Member(s). Membership of the Fund is voluntary, and upon joining, Member(s) are required to provide certain minimum information to the Trustees.

The current intention is to pay benefits upon retirement of the Member(s). The Trustee shall invest fund assets having regard to the need to realise the investments at the Member(s) dates of retirement (or such later date as the Member(s) nominates in accordance with the rules of the Trust Deed).

The Fund has two members, Ms Carolyn Lovett, aged 58 and Mr Robert Preston, aged 53 at the time of this Statement. It is not intended that other member(s) will be admitted to the fund. The current intention is to pay lump sum/allocated pension benefits upon retirement of the member(s). The Trustee shall invest Fund assets having regard to the needs of the member(s).

INVESTMENT OBJECTIVES

The aim of the investment strategy of the Rpld Superannuation Fund("the Fund") is to accumulate funds for the payment of superannuation benefits as set out in the trust deed governing the Funds operations.

The Trustees have considered the following investment objectives in formulating the investment strategy for the Fund:

The Trustee will:

- At all times act prudently to pursue the maximum rate of return possible, subject to acceptable risk parameters, and the maintenance of whatever diversification that can be achieved with modest assets.
- Ensure that all investments are authorised under the trust deed and are made for the sole purpose of providing benefits to Member(s).
- Establish within the Fund a tolerance to short term fluctuations in income and capital values given the profile of the ages of the Member(s).
- Invest to ensure sufficient liquidity is retained -within the fund to meet benefit payments due, and will adjust its specific objectives where the trustee' believe the risk profile of the Fund has changed. The liquidity of the fund must also be given in light of the cashflow requirements of the Fund.
- Have proper regard to the risks associated with the investments given the Fund 's objectives and cashflow requirements.
- Have proper regard to the composition of the fund's investment portfolio, including diversification of the Investments.
- Have proper regard to the ability of the fund to meet its current and prospective liabilities.
- Make investments in conjunction -with Member(s) or the Principal Employer, Provided they are under taken on an arms length basis.
- Consider suggestions from Member(s)for specific investment in relation to Member(s) generally for an individual Member(s), and may make investments in accordance with those suggestions provided that they fall within the investment strategy of the Fund.

- Having considered the liability profile of the Fund, the Trustee has adopted the following objectives for the investment of the assets of the Fund:

(a) to achieve an investment return (net of tax and charges) that exceeds CPI by at least 2% per annum when measured over a rolling 5 year period;

(b) to have a low expectation of negative returns in any 12 month period.

- The investment objectives of the Fund will be reviewed annually and at such other times as a significant event occurs -which affects the Fund.

INVESTMENT STRATEGY

In order to achieve the investment objectives of the Fund, the Trustee - wishes to adopt and pursue the strategy set out hereunder. The Trustee reserves the right to implement more than one strategy as it sees fit, and to offer separate strategies to Member(s). The Trustee also reserves the right to implement separate and different Action plans in the acquisition and disposal of assets pursuant to this strategy.

Diversification:

The Trustee wishes to implement as much diversification as it is able given the assets Of the Fund and elects to diversify amongst a number of investments. In considering the degree of diversification appropriate to the Fund, the Trustee has determined to take into account:

- the existing assets of the fund;
- the existing assets of the family of the Member(s) of the fund;
- the existing assets of the Member(s) of the fund in complying superannuation funds; and
- the Funds access to expert investment advice.

With regard to the investment objectives the Trustees have adopted an investment strategy of seeking in the long term a diversified portfolio mix of investment classes as follows:

- Real property including both direct and indirect investment by the acquisition of units in a property holding unit trust.
- Shares, options, and other rights to shares including both direct investment and indirect investment through equity trusts or other pooled investment vehicles.

- Cash including fixed interest term deposits, bonds, cash management trusts and appropriate derivative products.
- Other assets including fine art, collectable items, antiques and paintings. If these are invested in the Trustee "will obtain a valuation from an appropriate qualified valuer prior to the investment being made. Only 5% of the assets funds should be invested in this category.

The Trustees consider that no specific percentage range for each of the above asset classes should be adopted (with the exception of the last category). Each other asset class should be considered on its own merits at the particular time the investment is proposed having regard to always maintaining an appropriate degree of diversification.

A single asset strategy may be adopted for the Fund if the asset - which is proposed meets the investment criteria of the Fund. If a single asset strategy is adopted then the Trustee will look to diversify the Fund at a later date - when further contributions are made to the Fund and income is derived by the Fund. If a single asset strategy is adopted then the Trustees need to ensure there is a method of liquidity maintained in the Fund to ensure benefits can be paid to members in accordance with the terms of the trust Deed.

All investments will be made on an arm 's length basis and will be acquired, maintained or disposed of on commercial terms at market rates of return. The Trustees consider that this investment strategy fulfils the principal strategy of the fund which is to maximising returns to members having regard to risk and investment objectives of the Fund.

Monitoring

To monitor the success of the investment policy in achieving the investment objectives, the Trustee will take the following action:

- (a) compare investment returns against investment objectives on an annual basis;
- (b) compare investment returns against cash rates available over a 12 month period and review this strategy on an annual basis or on such other basis as it believes appropriate.

The Trustee will measure its success criteria against certain benchmarks and indices. The nominated benchmarks for performance -will be as follows:

- (a) Australian shares - all ordinaries (ASX200)
- (b) Liquid assets - average cash management trusts
- (c) Australian fixed trusts - commonwealth all series all maturities and accumulation index
- (d) Property trusts - average of composite property accumulation index

ASSET MANAGEMENT STRATEGY

The Trustee will have regard to the following principles in the implementation of its investment strategy and the actual making of its investments:

Unit Trusts

Prior to acquiring or disposing of any units in an unlisted unit trust the Trustee will obtain and consider valuations of all assets held by the unit trust. The Trustee will do so to satisfy itself that the price of the units reflect true market values and constitute a prudent investment/disposal on an arm 's length basis.

The Trustee will also ascertain the intentions of the trustee of the unit trust in relation to borrowing 's (if any) and the use of the assets as security.

Direct Property

Prior to acquiring or disposing of any property to be held directly by the Fund the Trustee will obtain and consider property and rental valuations to satisfy itself that the price of the property reflects true market value and constitutes a prudent investment/disposal on an arm 's length basis.

In obtaining a tenant (if any) for any property held by the Fund the Trustee may enter into a lease with an employer sponsor or an associate provided that a written lease agreement is made and the transaction is entered into on an arm 's length basis with regular rental reviews.

In determining the proportion of Fund assets to be invested directly in property, the Trustee shall take into account the liability profile and liquidity requirements of the Fund.

Shares in Private Companies

The Trustee will ascertain the intentions of the Directors of the company in relation to borrowing's if any) and the use of the property as security taking into account the security and dividend return from the shares.

Shares in Public Company

Prior to acquiring (or disposing) of any shares in public companies, the Trustee shall consider the portfolio of the Fund and the diversification of shareholding across different market sectors (industrial, retail, banking, etc) -with a view to attempting to obtain a reasonable diversification with modest assets. The Trustee shall also take into account advice in relation to expected capital growth and dividend income.

Debentures/First Mortgages

Prior to investing in any debenture/first mortgage the Trustee shall consider the period of investment, the security offered, the accessibility of funds, the return, and likely rate movements.

Cash Management

Prior to investing or realising any cash management funds the Trustee shall consider the rate of return and security of such investment against the expected rate of return offered by alternative investments to cash.

Artwork/Antiques/Collectibles

Prior to acquiring any collectibles as an investment of the fund the Trustee -will obtain an independent professional valuation from a qualified valuer and will ensure the asset represents a minor part of Fund assets. It -will investigate future saleability of the asset and the likely price movements in future.

Prior to leasing any collectibles held by the fund to any party the Trustee shall determine the commercial rental rate having regard to advice which the Trustee shall obtain from a qualified source. Any such lease shall only be entered into under a written lease agreement made on an arm 's length basis with an obligation for full maintenance and insurance.

Prior to disposing of any collectibles held by the fund, the Trustee will obtain an independent professional valuation from a qualified valuer. The Trustee shall also determine whether the proposed timing of the disposal is in the best interest of Member(s) having regard to the fluctuations in the value of the type of collectible of which the Trustee wishes to dispose.

Members Suggestions

The Trustee may consider and accept suggestions from Member(s) regarding the investment of Fund assets for Member(s) generally or for an individual Member(s), and make investments in accordance with these suggestions.

The Trustee shall only adopt investment suggestions from member(s) if the resulting investment meets the Fund investment objectives as reflected through the investment strategy and the Trustee determines that the investment is prudent.

Insurance

The Trustees have considered whether the Fund should hold a contract of insurance for its members and concluded that: [select relevant options from below]

- Additional insurance is not appropriate as the members have [pre-existing medical conditions/ are at an age] such that insurance is not available on a cost-effective basis
- Additional insurance is not deemed appropriate as the members have significant assets inside and outside superannuation with no significant outstanding liabilities
- The fund already has insurance for its members which is considered appropriate
- The members have appropriate insurance outside the fund via an [industry fund/retail superannuation fund/insurance policy directly held by the member]
- The Trustees recognise the need for additional insurance and will take the following actions [describe planned actions and timeframes – please see attached minute]
