Dear Sir/Madam,

Your annual statement—keeping you informed

Thank you for choosing AMP to help you own your tomorrow. Your AMP Life and Income insurance policy helps protect your future should the unthinkable happen.

Your new insurance schedule

To keep you informed, we send you a new **insurance schedule** every year on your policy anniversary date. The schedule shows any updates to your policy features and benefits.

This new schedule replaces the previous one.

Please check your new schedule carefully to make sure all of your information is correct. This schedule forms part of your policy—be sure to keep it in a safe place for future reference.

Have your needs changed?

Life insurance is one of the important ways you've helped secure your family's future should the unthinkable happen. However as your life changes, your insurance needs can change too. It's important to regularly review your insurance to make sure your cover continues to meet your current needs. Also, there may be ways that you can save on your insurance like reducing the amount of cover you have.

To make sure your income insurance meets your needs, please check your indemnity plan benefit each year. If you make a claim, we'll pay the lesser of the sum insured, or 75 per cent of your pre-disability income (as defined in your plan terms and conditions).

So if your needs have changed or you're having difficulty paying premiums for your insurance cover, we suggest you contact us or talk to your financial adviser to discuss your options.

We're here to help

If you have any questions, please contact us or talk to your financial adviser.

Yours sincerely,

Important information

We must give you the information you need to understand your plan and benefit entitlements. The additional information below supports and explains the details shown in this document. You can also see your **policy document** or visit **amp.com.au** for more details.

If you have any more questions about your plan including insurance benefits, fees and charges that apply or how to make payments, please contact us or talk to your financial adviser.

Please note that some of the information below may not apply to your plan.

Statement notes

The following may be referred to in your **insurance schedule**.

Statutory Fund

Your plan is backed by our Australian Statutory Fund No. 1.

Changes to premiums

We may review and change our premium rates from time to time. If we change our premium rates, we'll apply the change to all plans that we consider to be similar to your plan. For more details, please see your **policy document**.

Automatic inflation increases

You may have chosen automatic inflation increases to protect your insurance benefits against inflation. This will be shown in the section **insurance details**. Each year we'll increase your sum insured by either the increase to the consumer price index (CPI) or a fixed percentage (whichever is higher). If you don't want us to increase your sum insured, please contact us.

Your premium may also change in line with your new sum insured. This change would apply in addition to any other premium increases that are set out in this section.

Stamp Duty

Stamp duty is a State/Territory Government levy payable on certain types of insurance cover and may be included with your insurance premium or be an additional amount payable. If the stamp duty amount is an additional amount, it will be shown separately on this statement.

The charge for stamp duty may vary from time to time due to changes imposed by the State/Territory Revenue Office. As stamp duty charges are based on our recorded address of the insured person on this plan, changes or corrections to the insured person's address may affect the amount of stamp duty payable with your next premium after that change is notified.

Please note it is your responsibility to inform us of any corrections or changes to the insured person's address.

Smoker status

If the insured person is a non-smoker and you haven't told us, your premium may reduce in the future if you complete a **non-smoker declaration**. Please contact us for a form or visit our website.

Risks of cancelling and replacing your insurance

If you're thinking of cancelling your current insurance cover and replacing it with other cover, you need to know about certain risks that are involved.

For example, you'll probably need to provide current medical and financial information for the new application and, if the insured person's health has changed, this may affect the terms of the new cover. Also, if you cancel your current insurance while you're applying or before the new cover starts, there may be a period when you won't be protected.

If you want more details, please contact us or talk to your financial adviser.
