### Notes

<sup>1</sup> Security Transactions – The number of securities transacted 'on' or 'off' your holding over the statement period.

<sup>2</sup> Security Price – This is the security price as at the close of trading. The security price for a sale or purchase of securities has not been included in your periodic statement because Sydney Airport does not have access to the actual market prices at which you have transacted. For securities transferred on 9 March 2022 the scheme consideration was \$8.75.

<sup>3</sup> Securities Held – The number of securities on register as at the close of business.

<sup>4</sup> Security Value – The number of securities held multiplied by the security price at the close of trading.

<sup>5</sup> Fees and costs deducted from your investment – Indirect costs have the effect of reducing the return on your investment but have not been charged directly to you as a fee. The amount has been rounded to two decimal places and includes: professional and other costs associated with scheme arrangements; tax compliance obligations; foreign litigation; regulation; management and administration of Sydney Airport Trust 1; legal services; tax compliance and director fees.
