Headings:
The headings in this Deed and the Rules are for convenience and reference only and are not to affect its interpretation.

2.3 Interpretation:
(a) Any word or expression which is defined in the Act has in this Deed the meaning ascribed to it by the Act and to the extent that a meaning ascribed to a word or expression within this Deed is inconsistent with the meaning ascribed to it by the Act the meaning ascribed by the Act prevails unless the contrary intention appears provided that where more than one meaning may be ascribed then the Trustees may determine which of those meanings applies.

(b) This Deed will be read and construed on the basis that the provisions of the SIS Act are incorporated to the extent that they impose requirements on the Trustees or are required by that Act to be so incorporated, but this Deed will not be so read or construed and no provision or regulation will be so incorporated if to do so would constitute a breach of the power granted by this Deed to vary, add to or rescind its provisions. To the extent not prohibited by the SIS Act, the Trustees may however by resolution determine that a provision of the SIS Act does not apply, either generally to the Fund or in respect of any particular application and the Deed must be construed accordingly.

2.4 Inconsistencies with the Superannuation Conditions:
Where it appears to the Trustees that there is any inconsistency or difference between:-

(a) any provision of any applicable legislation or other laws and another provision or provisions;

then the Trustees may determine, either generally or in respect of any particular application, in their absolute discretion, which provision or ruling applies and the Deed must be construed accordingly and subject to such determination and to the Act, if there is any inconsistency between the Rules and the Deed the Deed shall prevail.

Proper Law: This Deed and the Rules are governed and construed and take effect in accordance with the laws of the State or Territory of residence of the Trustee (however Section 35(b) of the South Australian Trustees Act 1936 does not apply to this Deed). Any person having or claiming any interest under this Deed must submit to the jurisdiction of the Courts of that State or Territory.

Perpetuities: If the Deed is or becomes subject to a rule against perpetuities the Trustees must not later than the specified date dissolve the Fund and pay to or secure for the Members or their Dependents or Personal Representatives such amounts as the Trustees may subject to this Deed determine notwithstanding that Members are then in the service of the Employer. For the purposes of this paragraph the "specified date" is that date which by the rule to which this Deed is or becomes subject is the last date limited for the vesting of the whole of the Fund without infringement of the rule and where that date is to be calculated by reference to a life in being the life is that of the last survivor of all the lineal descendants of His Late Majesty King George VI who are living at the date of execution of this Deed.

Trusts: All assets of the Fund are vested in the Trustees who stands possessed of the same upon trust to apply the same in the manner and for the objects and purposes of the Fund as set forth in this Deed and any amendment.

Constitution of Fund

Sole Purpose: Despite any other provision of this Deed, the Trustee must be a constitutional corporation unless the Trustees are individuals and in that event and despite any other provision of this Deed the sole or primary purpose of the fund is the provision of old-age pensions.

Core Purposes: The Trustees must ensure that the Fund is maintained solely for one or more of the core purposes or both one or more of the core purposes and for one or more of the ancillary purposes provided in the Act.

Sole Purpose Test

- (a) where a reading down or limitation of the operation of the invalid provision would remove the voidness or invalidity, that must be done in constructing the Deed;
- (b) where it is not possible to apply paragraph (a), the invalid provision is severed from the Deed;
- (c) in any event, an invalid provision does not affect the continued operation of the remainder of the Deed.

Saving Provision: To the extent any provision of this deed would be void or invalid, but for this paragraph ("an invalid provision"):

Proper Law: This Deed and the Rules are governed and construed and take effect in accordance with the laws of the State or Territory of residence of the Trustee (however Section 35(b) of the South Australian Trustees Act 1936 does not apply to this Deed). Any person having or claiming any interest under this Deed must submit to the jurisdiction of the Courts of that State or Territory.

- (b) the rulings of the Commissioner and other rulings of the Commissioner;
- (c) the Acts or laws referred to in (a) and the rulings referred to in (b);
- (d) the Rules and this Deed,

- (d) to keep the money and other assets of the Fund separate from any money and assets, respectively:-

(e) not to enter into any contract, or do anything else, that would prevent from, or hinder the Trustees in, properly performing or exercising the Trustees' functions and powers; this does not prevent the Trustees from engaging or authorising persons to do acts or things on behalf of the Trustees.

(f) to formulate and give effect to an investment strategy that has regard to the whole of the circumstances of the Fund including, but not limited to, the following:

- (i) the risk involved in making, holding and realising, and the likely return from the Fund's investments having regard to its objectives and its expected cash flow requirements;
- (ii) the composition of the Fund's investments as a whole including the extent to which the investments are diverse or involve the Fund in being exposed to risks from inadequate diversification;
- (iii) the liquidity of the Fund's investments having regard to its expected cash flow requirements;
- (iv) the ability of the Fund to discharge its existing and prospective liabilities;

(g) if there are any reserves of the Fund - to formulate and to give effect to a strategy for their prudent management, consistent with the Fund's investment strategy and its capacity to discharge its liabilities (whether actual or contingent) as and when they fall due;

- (h) to allow a beneficiary access to any information or documents prescribed under the SIS Act.
- (i) to observe such covenants as are prescribed to be included in the governing rules of the Fund prescribed by the Act.
