ACTION REQUIRED: Ickymasho’s insurance renewal for 2020/21

📅 21/07/20

ACTION REQUIRED:
Ickymasho’s insurance renewal
for 2020/21

With the 2020/21 season quickly approaching, we must prepare our insurance needs for the upcoming year.

We propose to insure Ickymasho for this upcoming season at a value of \$300,000. Following discussions with our insurance company, the insurance rate will again be 3.65%p.a., so the cost of insurance for the whole horse will be \$10,950 (\$547.50 per 5% owned).

Should you not wish for insurance to be taken out for your interest/s, you must notify us before the end of July.
