A Establishment of the fund

The establishment of the fund

- 1 The person named in Schedule 1 as the 'person establishing the fund' establishes the Balikpapan Super Fund as a self-managed superannuation fund under the *Superannuation Industry (Supervision) Act 1993 (Cth)*. It is an indefinitely continuing superannuation fund.

Purpose of the fund

- 2 The sole or primary purpose of the fund is to provide old age pensions and other benefits to members on their retirement.

Trustee of the fund

- 3 The initial trustee is named in Schedule 1 of this deed. The trustee accepts the appointment. The fund is vested in the trustee. No other person (including a member) has any legal or beneficial interest in any asset of the fund except to the extent expressly stated elsewhere in this deed. The trustee must manage the fund in accordance with this deed.

Method of decision by trustee under this deed

- 4 The trustee may only make decisions under this deed in the manner set out in the trustee's constitution.

Deed subject to superannuation law

- 5 This deed is to be interpreted so as to comply with superannuation law. In particular, it is to be construed so that the fund it establishes qualifies as a self managed fund under superannuation law and qualifies for concessional tax treatment under the *Tax Act*. To the extent that anything in this deed is inconsistent with superannuation law, it is to be severed from the deed. Any obligation imposed by superannuation law in respect of the fund established by this deed that is not expressed in this deed is nonetheless to be regarded as incorporated in it by reference.

Trustee must comply with law

- 6 The trustee must not do or fail to do anything as trustee of the fund that would result in either of the following:
 - a breach of law, including superannuation law, or
 - the fund ceasing to qualify as a self managed fund under superannuation law or to qualify for concessional tax treatment under the *Tax Act*.
