I must keep myself informed of changes to the legislation relevant to the operation of my fund and ensure the trust deed is kept up to date in accordance with the law and the needs of the members.

### SOLE PURPOSE

I understand it is my responsibility to ensure the fund is maintained for the purpose of providing benefits to its members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies.

- not enter into any contract, or do anything, that would prevent me from, or hinder me in, properly performing or exercising my functions or powers as a trustee or director of the corporate trustee of the fund
- prepare and implement an investment strategy that takes the whole of the fund's circumstances into account, which includes, but is not limited to
  - the risks associated with the fund's investments
  - the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
  - investment diversity and the fund's exposure to risk due to inadequate diversification, and
  - the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities, and
- allow all members of the fund to have access to information and documents as required, including details about
  - the financial situation of the fund
  - the investments of the fund, and
  - the members' benefit entitlements.

### Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from the following:

- lending money of the fund to, or providing financial assistance to, a member of the fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly including the provision of credit)
- acquiring assets (other than listed securities, business real property or managed funds) for the fund from members or associates or other related parties of the fund
- borrowing money (or maintaining an existing borrowing) on behalf of the fund
- having more than 5% of the fund's total assets at any time of the year as loans to, or investments in, related parties of the fund (including trusts) and assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party (these assets are in-house assets), and
