

28 June 2021

Dear Investor,

Please be advised that Gold Corporation, the issuer of Perth Mint Gold (ASX:PMGOLD) has transferred administration of its registry to Link Market Services Limited (Link). This change became effective on Monday 28 June, 2021.

All of the existing holding details and preferences that you provided previously have been transferred to Link and no action is required by you. Link's Investor Centre provides investors with the ability to create portfolios to view and update all of their holdings with Link via convenient account management tools and real-time updates. The Investor Centre is designed to maximise usability and is available via personal computers, smartphones and tablets.

To access Link's Investor Centre, please go to: <https://investorcentre.linkmarketservices.com.au>.

Investors can use the Investor Centre to:

- View a holding summary page;
- Obtain current holding balance, at a specified date;
- Review and update address, email address, communication preferences, and payment instructions;
- Review and download transaction history, payment history, and payment advices; and
- Access online voting.

You will need to key in your current SRN or HIN, postcode (or country if outside Australia) and the security code that appears on the screen in order to view and/or update your shareholding details.

In the interests of reducing costs and minimising the consumption of paper resources, we strongly encourage you to receive future shareholder communications via email. You can update your preference online via Link's Investor Centre.

If your holding is valued at more than \$50,000 (or \$1,000,000 if held within a Link portfolio per instructions on Link's website) you are unable to update your bank account details online; you must complete the relevant forms (available on Link's website, or by calling Link) and return the completed forms to Link.

Please note that additionally, Gold Corporation has amended some of the terms of the product, simplifying the process by which management fees are charged, and streamlining the redemption offerings. Further information on this is contained in an updated PDS, which has been lodged with the ASX and is also available at <https://www.perthmint.com/storage/perth-mint-gold-asx.html>.

Yours sincerely,

David Koch

Company Secretary
