## ANNUAL PERIODIC STATEMENT EXPLAINED

### For the Financial Year

01 July 2019 - 30 June 2020

#### Indirect Costs of your Investment

This approximate amount has been deducted from your investment and includes amounts that have reduced the return on your investment but are not charged directly to you as a fee.

This is an indirect cost of your investment which is incorporated in the unit price. These costs may affect the return on your investment.

These costs cannot be claimed as a deduction in your income tax return.

#### Opening Value

Opening values are quoted with the number of units held at the beginning of the period, multiplied by the unit price at the beginning of the current pricing period.

#### Closing Value

Closing values are quoted with the number of units held at the end of the period, multiplied by the unit price at the end of the current pricing period.

#### Complaints Handling

Trilogy prides itself on the level of service provided to investors, however there may be instances where you believe we have not met your expectations as to our products or services or our complaints handling process. If you have such a complaint, please contact Investor Relations in the first instance so we can address the issue. If it is not resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to consumers.

#### Questions?

If you have any questions regarding your investment please contact our Investor Relations team on 1800 230 099 or on

[investorrelations@trilogyfunds.com.au](mailto:investorrelations@trilogyfunds.com.au).

#### Total Fees you Paid

This approximate amount includes all the fees and costs which affected your investment during the period. Please refer to the latest Product Disclosure Statement for full details of fees or costs which affect your investment.

These costs cannot be claimed as a deduction in your income tax return.

If you chose to pay an upfront or ongoing adviser fee for this Trilogy product, these fees have not been incorporated into the return on investment or direct cost calculation within this statement.

#### Return on Investment

This includes the capital return on your investment, plus any distributions paid during the reporting period. This figure is calculated by taking the difference between the opening and closing dollar balance together with all gross distribution payments for the period.
