

Super transfer balance account report

Who should complete this report?

Super providers and life insurance companies should complete this report when:

- there is a transfer balance account reporting requirement
- further information is required to calculate a member's total super balance
- further information is required to determine a member's concessional contributions amount
- incorrect information has previously been reported to us.

The obligation to report is on:

- the trustee of the fund for a super fund, including self-managed super funds (SMSFs) or an approved deposit fund (ADF)
- the retirement savings account (RSA) provider for an RSA
- a director of the life insurance company for a life insurance company.

Instructions

Follow the Super transfer balance account report instructions for assistance when completing this report.

You must complete and lodge separate reports for each member. If you have more than four events to report for a member you must lodge separate reports. However, if you are reporting a child death benefit income stream or a child reversionary income stream you can only report one event per report.

To cancel or update information already reported to us, you must cancel the original report. Ensure the "Yes" box in Section B is clearly marked and lodge the report exactly the same as the original event. A new report can then be lodged with the correct information.

Completing this report

- Print clearly, using a BLACK pen only.
- Use BLOCK LETTERS and print one character per box.

Super transfer balance account report

Who should complete this report?

Super providers and life insurance companies should complete this report when:

- there is a transfer balance account reporting requirement
- further information is required to calculate a member's total super balance
- further information is required to determine a member's concessional contributions amount
- incorrect information has previously been reported to us.

The obligation to report is on:

- the trustee of the fund for a super fund, including self-managed super funds (SMSFs) or an approved deposit fund (ADF)
- the retirement savings account (RSA) provider for an RSA
- a director of the life insurance company for a life insurance company.

Instructions

Follow the Super transfer balance account report instructions for assistance when completing this report.

You must complete and lodge separate reports for each member. If you have more than four events to report for a member you must lodge separate reports. However, if you are reporting a child death benefit income stream or a child reversionary income stream you can only report one event per report.

To cancel or update information already reported to us, you must cancel the original report. Ensure the "Yes" box in Section B is clearly marked and lodge the report exactly the same as the original event. A new report can then be lodged with the correct information.

Completing this report

- Print clearly, using a BLACK pen only.
- Use BLOCK LETTERS and print one character per box.

Super transfer balance account report

Who should complete this report?

Super providers and life insurance companies should complete this report when:

- there is a transfer balance account reporting requirement
- further information is required to calculate a member's total super balance
- further information is required to determine a member's concessional contributions amount
- incorrect information has previously been reported to us.

The obligation to report is on:

- the trustee of the fund for a super fund, including self-managed super funds (SMSFs) or an approved deposit fund (ADF)
- the retirement savings account (RSA) provider for an RSA
- a director of the life insurance company for a life insurance company.

Instructions

Follow the Super transfer balance account report instructions for assistance when completing this report.

You must complete and lodge separate reports for each member. If you have more than four events to report for a member you must lodge separate reports. However, if you are reporting a child death benefit income stream or a child reversionary income stream you can only report one event per report.

To cancel or update information already reported to us, you must cancel the original report. Ensure the "Yes" box in Section B is clearly marked and lodge the report exactly the same as the original event. A new report can then be lodged with the correct information.

Completing this report

- Print clearly, using a BLACK pen only.
- Use BLOCK LETTERS and print one character per box.
