To the trustee of the COPPABELLA SUPERANNUATION FUND 101/155 MORAY STREET, New Farm Queensland 4005

Dear Trustees

Audit Engagement Letter

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the COPPABELLA SUPERANNUATION FUND for the year ended 30/06/2021. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry* (*Supervision*) *Act* 1993 (SISA) and the *Superannuation Industry* (*Supervision*) *Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the Trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the Trustee(s);
- For such internal control as the Trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and

- To provide us with:
 - Access to all information of which the Trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;
 - Additional information that we may request from the Trustees for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from Trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30/06/2021, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing if during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as Trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the Trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the Trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your expressed consent. Coppabella Superannuation Fund Projected Investment Strategy

For the year ended 30 June 2022

Background

The Trustees of the Fund have devised this Investment strategy for the Fund considering the objective of the Fund and in line with the governing rules of the Fund and superannuation law. Through this investment strategy the Trustees are seeking to maximise the superannuation benefits for all its members of the Fund having regard to risk and reward of each type of investment.

Among other things, the Trustees have considered and determined that the Fund's current asset mix of assets are appropriate for its members for the financial year. Trustees have given regard to the members age and their in-ability to withdraw from the Fund their superannuation interests for retirement purposes in devising a strategy for the next financial year.

Richard Osborne is 68 years of age and his member balance as at 30 June 2021 was \$26,570.89.

Caroline Osborne is 60 years of age, is retired and her member balance as at 30 June 2021 was \$293,187.73.

Investment Objective

To maximise returns and minimise the risks of investment of the Fund's assets in managing and providing superannuation benefits to members and their dependants in meeting their retirement needs.

To ensure all investments are consistent with the governing rules of the Fund and appropriate Superannuation Legislations and the Fund's investment strategy.

Risk & Return on Investments

Each investment decision will be made with due regard to the associated, risk and expected return. With this in mind, the Trustees will, from time to time, seek professional investment advice in order to assist in the process of determining what investments are suitable for the Fund and also taking into account the concerns of the members.

The overall strategy is to maximise the returns of the Fund's investments and minimise the exposure of risk from any particular investment, the Fund will try to maintain a diversified portfolio.

Further, considering the volatility of the share market locally in Australia and overseas, the Trustees have decided that they will not invest much of the Fund in this asset class.

In making a decision on the types of investments made by the Fund, the Trustees have consulted with the members in this regard. They have taken into account the members overall risk profile and their concerns about various investment opportunities.

After discussions with the members of the Fund, the Trustees have determined that they will keeps the Fund's assets in cash until a suitable investment opportunity arises.

Risk Associated with Limited Diversification

The Trustees have given due consideration to the current objectives of the Fund, the current market risks of losing capital and returns of investing & holding one asset or one asset class.

The Trustee in deciding to hold most of the Fund's assets in one asset class also considered the age of all the current members of the fund, their wishes, current global investment climate and the funds cash requirements to meet its commitments current and next year's expenses.

The Trustees (and members of the Fund) are aware of risks associated with limited diversification of assets, but have decided that holding only one asset class is an appropriate investment strategy for this and next financial year.

The Trustees understand that they have the right to make any investment that is permitted under the superannuation rules, the fund's governing rules and may amend this investment strategy, in the future, to ensure that fund investments are consistent with the investment strategy of the fund and meet the investment objectives of the fund.

Trustees will keep a close eye on the property market and the global share & interest earnings investment market and should there be opportunities available to the Fund, reconsider to amend the current investment mix to meet the objectives of this Fund.

Liquidity of Fund's Assets

Each investment decision will be made with due regard to the cash flow requirements of the Fund. The Trustees will consider the liabilities (current and prospective) of the Fund and ensure adequate cash is maintained by the Fund to meet its liabilities as and when they fall due.

The Fund's liquidity needs will be considered at the time of each investment and also during the regular review of the Fund's portfolio and investment strategy.

The Trustees have considered and determined that the current investment provides the Fund with all the necessary expenses of the Fund for the next year.

The Trustees are aware that Caroline has retired and currently has an account based pension. In the current economic environment, income from the assets are sufficient to meet the minimum pension requirement.

Asset Class

The Fund's asset classes as at the beginning of the year (1st July 2020) and as close of the year (30th June 2021) are as below with the Trustees asset allocation for the following year:

Asset Class	Assets 1/07/2020 \$	Assets 30/06/2021 \$	Target Range (% of Total Fund Assets)

Australian Fixed Interest			<u> </u>	%

International Fixed Interest				%		%

The Trustees will assess the need of insurance for all members and will seek financial insurance advice where necessary to ensure all members are adequately insured. Insurance policies may be held by the fund or by members personally.
