Reading your remittance advice

This remittance advice provides details of super co-contribution payments credited to you for one or more of your members.

Payment for and account details

These details are provided so you can reconcile each payment with the correct member account.

Where you have made a claim for payment, the member and account details will match those you reported to us as part of your claim.

Remittance reference number

This is a unique identifier we assign to the remittance of a member's super co-contribution payment.

It is important to note this number as it needs to be quoted if you are not accepting a particular payment on this remittance.

Payment

This is the total amount of super co-contribution being credited for a member.

Tax file numbers

From 1 July 2007, funds cannot accept any member contributions, including super co-contributions paid by the Australian Taxation Office unless the fund holds a tax file number for that member.

What should you do if you will not be accepting one or more payments on the remittance?

You will need to complete a *Superannuation payment variation advice* (NAT 8451) statement and lodge it and your repayment with us on or before **19 August 2016**.

The *Completing the Superannuation payment variation advice* (NAT 8450) statement instructions will help you fill out this form.

Your repayment can be sent electronically to us by BPAY® or direct credit, or by cheque enclosed with the completed form.

If you are paying by cheque, please refer to the 'How to pay' information on the *Superannuation payment variation advice* (NAT 8451) statement. This will help you to complete the repayment details.

If you are making your payment electronically, you will need to use the following Australian Taxation Office details:

For BPAY®

Biller code	75556
Customer reference number	552 00931 880 791 4693

For direct credit

Return payment EFT code	552 00931 880 791 4693
BSB	093 003
Account number	316385
Account name	ATO deposits trust account

Late payments

Where a payment is not made by its due date, a general interest charge (GIC), which is currently 9.01% per annum, will normally be added to what you owe us.

You can claim GIC as a tax deduction in the same financial year that it accrues against your account.
