Hi David

2 issues with this Fund to sort out.

1. What \$ are we claiming as concessional contributions?
2. The Litecoin value as at 30/6/18 – he has given us a \$ amount, but I think the auditor will want a document showing where that came from. I have been searching the internet for an historical value but can only find \$81.37 per CoinMarketCap website. His valuation is \$108.539449. I will keep trying to get the history from Coinspot where he did.

Re Ian Stroud SMSF 2017/2018

Hello David,

Please find enclosed the activities of my SMSF for the above dates. I have done my best to make the information as easy as possible for you to deal with. The fund made one transfer of \$57,400 to Coinspot.com.au for the purchase of the crypto currency Litecoin. The purchase was made in 5 portions as you will see on the Coinspot order history statement which corresponds with the complete bank statements for the financial year. 325.23 Litecoin were purchased. The Coinspot history chart shows the value of the coins on 30/6/2018 to be \$35,300.285 (325.23 at \$108.539449) not a good performance however i expect Litecoin and other purchases made in this financial year, 2018/2019 to do well in the future. All coins purchased have been removed from coinspot to the blockchain where i hold the private keys for complete security.

Regards  
Ian Stroud
