The Deed and these Rules includes the provisions of the Act applying to the regulation of self managed superannuation funds, and in the absence of a specific provision in the Deed and these Rules those provisions are (to the extent they are relevant to the Fund) deemed to be incorporated in the Deed and these Rules.

If there is any conflict between the provisions of the Deed and these Rules and the provisions deemed to be included in the Deed and these Rules as provided above then the deemed provisions shall prevail over the provisions of the Deed and these Rules to the extent of any inconsistency.

A reference to a statute or other law includes regulations and other instruments ("subordinate instrument") made under such a statute or law and any consolidation, amendment, re-enactment or replacement of such a statute, law or subordinate instrument;

The singular includes the plural and vice versa;

Terms such as "including", "for example" and similar expressions or words are not words or expressions of limitation;

A reference to a person includes:

- (a) a body corporate, any other entity recognised at law, a partnership and any other group or organisation of persons; and
- (b) a person's legal personal representatives, successors and assigns;

Where an expression is defined in the Act but is not defined in the Deed and these Rules then that expression will have the meaning given to it in the Act.

Where a word or phrase is given a particular meaning, other parts of speech and grammatical forms of that word or phrase have corresponding meanings;

Headings are inserted for convenience of reference only and are not to be taken into account in interpreting the Deed and these Rules;

A reference to anything (including any amount) is reference to the whole or any part of it; and

A reference to a group of persons is a reference to any one or more of them.

- (f) subject to the Act, the Trustee must disregard a Binding Death Benefit Nomination if it does not comply with the formal requirements of the Act.

12.6.5 The Trustee will treat a Binding Death Benefit Nomination made in accordance with the form contained in Schedule 2 or in another form acceptable to the Trustee as a binding direction and nomination and effect payments in accordance with the Death Benefit Nomination, provided it is given in accordance with the requirements of the Act and is current and valid at the date of the Member's death.

12.6.6 The Trustee may in its absolute discretion increase the amount of the Death Benefit by an amount equal to such amount (if any) which is available as a deduction to the Fund under s279D of the Tax Act.

12.6.7 Subject to Rule 12.6.5 the Trustee may pay a Death Benefit in any manner permitted by the Act, including as a lump sum, pension or combination of both.

12.7 Transfer of assets

12.8 Assignments

Subject to the Act a Beneficiary's interest under this Deed will be forfeited if:

- (a) a Beneficiary attempts to assign, alienate or charge all or part of their interest under these Rules; or

- (b) any other event occurs that results in a person other than the Beneficiary becoming entitled to that interest (except an event that produces that result because of a provision of these Rules).

Subject to the Act, the amount representing any interest that is forfeited in accordance with this Rule may be applied in proportions decided by the Trustee for the benefit of one or more of the Beneficiary, former Beneficiary or Beneficiary's Dependents as the Trustee considers appropriate.

12.9 Minor beneficiaries or those without legal capacity

If:

- (a) a Beneficiary is a minor;
- (b) the Trustee believes that a Beneficiary is unable to manage their financial affairs because of legal incapacity; or
- (c) the Trustee otherwise considers it appropriate for any reason;

the Trustee may, subject to the Act, pay some or all of the amount payable in respect of the Beneficiary to another person including the guardian or Legal Personal Representative of that person to be applied for the benefit of the Beneficiary. The receipt of the person to whom the benefit is paid is a complete discharge to the Trustee in respect of that benefit. The Trustee may impose any terms on such a payment that it considers appropriate.

12.10 Discharge

The Trustee is fully discharged from all obligations in connection with benefit payments once the person to whom a payment has been made has received the benefit in full. The Trustee has no obligation to see how the payment is applied.

12.11 Deductions

Subject to the Act, the Trustee may deduct fees and amounts in respect of Liabilities and Tax from any benefit payment. This is not intended to restrict the Trustee from deducting fees or recovering such amounts in any other way permitted by the Act or law.

12.12 Family Law

 - (ii) the amount of a benefit payable from the Fund in respect of a Beneficiary (whether in the form of a lump sum or a pension) will be adjusted accordingly.
- (b) Subject to Rule 12.12(c) and the Family Law Requirements, if the interest of a Beneficiary (Affected Beneficiary) in the Fund becomes subject to a Payment Split:
 - (i) the Non-Member Spouse is not entitled to become a Member;
 - (ii) the Trustee may admit the Non-Member Spouse as a Member if it so resolves and the Affected Beneficiary agrees; and
 - (iii) either the Affected Beneficiary or the Non-Member Spouse may request the Trustee to have the Transferable Benefits of the Non-Member Spouse transferred to another Benefit Arrangement in accordance with Rule 13.2.

If the Affected Beneficiary is incapable of giving agreement under Rule 12.12(b)(ii) for any reason, the Trustee may admit the Non-Member Spouse as a Member if it so resolves.

- (c) Subject to the Family Law Requirements, if a Non-Member Spouse was a Member immediately prior to the Payment Split taking effect, nothing in Rule 12.12(b) is to be taken as:
 - (i) affecting the membership status of the Non-Member Spouse in relation to the entitlements of the Non-Member Spouse immediately prior to the Payment Split; or
 - (ii) enabling an Affected Beneficiary to request transfer of benefits other than Transferable Benefits of the Non-Member Spouse in accordance with Rule 12.12(b)(iii).

- (d) Without limiting any other power it has under these Rules, the Trustee has power to do anything necessary or convenient to comply with the Family Law Requirements, including without limitation:
 - (i) power to provide information about Member's entitlements and Payment Splits to relevant parties;
 - (ii) power to give effect to Payment Flags and any relevant lawful agreement or order of a court of competent jurisdiction in relation thereto;
 - (iii) power to give effect to Payment Splits within any required time period;
 - (iv) power to transfer Transferable Benefits within any time period set by the Family Law Legislation;
 - (v) power to charge fees; and

12.14 Pension Rules

Subject to the Act:

- (a) the terms and conditions of a pension payable to a Member shall be deemed incorporated in this Rules

18.3 Limitations

No amendment may be made that:

- (a) is inconsistent with the Act; or
- (b) would have the effect of reducing the amount of a benefit that has accrued or become payable by or in respect of the Member before the date of payment of the benefit, unless any such reduction:

2. Calculation of benefits other than pension benefits

2.1 General

Subject to these Rules and except where Rules 2.2 or 3 of this Schedule apply, the amount of a Member's benefit will be the amount of the Member's Account Balance plus any additional amount included in accordance with Rule 12.6.6 where applicable;

2.2 Disablement benefit

The above Rule 2.1 does not apply in the case of a benefit payable on the Member's Temporary Disablement. The benefit payable in those circumstances will be calculated having regard to:

- (a) the amount or amounts payable under the Policy in respect of the Member's Disablement;
- (b) the timing of those payments;
- (c) the liabilities incurred by the Trustee in connection with the Policy (including receipt and payment of proceeds); and
- (d) any relevant Policy terms.

3. Pension benefits

3.1 General

Where a benefit in respect of a Member is to be payable in pension form, the amount referred to in Rule 3.2 of this Schedule will be applied for the purposes of providing that pension.

3.2 Relevant amount

For the purposes of the above Rule 3.1, the relevant amount is:

- (a) the amount that would be payable as a lump sum under Rule 2.1 of this Schedule if it applied; or
- (b) if the Member requests that only part of that amount be applied to fund the pension and the Trustee accepts that request, the amount of the part requested.

3.3 Pension conditions

The conditions applicable to payment of pension benefits appear in Part 3 of this Benefit Schedule.

PART 2

1. Application

Where Rule 3.2(b) of these Rules applies, the main benefit payable from the Fund is an Old Age Pension payable at the Member's Retirement Age as described in Rule 2 of this Part of the Benefit Schedule.

2. Retirement pension

If a benefit is payable to the Member on the Member's attaining Retirement Age, then subject to the Act, the benefit will be paid in the form of a pension on terms agreed between the Trustee and the Member, or in any absence of agreement, as determined by the Trustee. A Member to whom a pension benefit is payable as described above is entitled, subject to the Act, to commute part or all of that benefit to a lump sum on terms agreed between the Trustee and the Member, or in the absence of agreement as determined by the Trustee.

3. Incidental benefits

Where this Part 2 of the Benefit Schedule applies, subject to Rule 2 of this Schedule, benefits will otherwise be payable in accordance with Parts 1 and 3 of the Benefit Schedule, as relevant.

PART 3

PROVISIONS APPLYING TO PENSION BENEFITS

1 Forms of pension

1.1 Without limiting anything in these Rules, the Trustee and a Beneficiary may agree that the whole or any part of any amount payable to a Beneficiary under these Rules will be paid in one or more of the forms of pension if that is permitted by the Act and the terms of such a pension complies with any relevant provision of the SIS Regulations:

- (a) an Account Based Pension;
- (b) a Transition to Retirement Pension; and
- (c) subject to the Act, any other form of pension that the Trustee chooses to make available at the relevant time.

Terms relating to each type of pension referred to in paragraphs (a) to (c) are provided in the subsequent Rules 4 to 6 of this Schedule ("Pension Rules").

2. Provisions of Act

2.1 Pension Provisions

The Pension Rules and including any other form of pension referred to in Rule 1(c) of this Part are designed to reflect certain provisions of the Act relating to pensions. To the extent that those provisions of the Act may be:

- (a) varied or supplemented, the Trustee may offer pensions on terms that are consistent with the varied or supplemented provisions; or
- (b) removed, the Trustee may adjust the features of pensions to which the Pension Rules apply, having regard to the provisions that have been removed.

To avoid any doubt, a provision of the Act or the SIS Regulations includes part of a provision.

Subject to the Act, where a change of the type referred to in paragraphs (a) or (b) of this Rule 2 occurs, or if the Trustee otherwise considers it appropriate to do so, the Trustee may change the terms on which a current pension is paid, without being required to amend the terms of these Rules or any other deed evidencing any agreement with a Beneficiary in relation to payment of a Pension benefit.

Any form of pension being paid to a Beneficiary prior 1 July 2007 that satisfies the requirements of Regulation 1.06(2) (4) (6) (7) or (8) of the Act may continue to be paid to the Beneficiary.

- 2.2 For clarity the Trustee may only pay one or more of the forms of pension referred to in Rule 1 of this Part 3 to the extent to which payment of such form of pension is permitted by the Act.

3. Additional Terms

Subject to the Act, the Trustee is also permitted to:

- (a) pay pensions in any form permitted by the Act, which may include forms other than those described in the Pension Rules;
- (b) make the payment of pensions, including those governed by the Pensions Rules, subject to any other terms that the Trustee considers appropriate. Those other terms may supplement or wholly or partly replace the terms that would otherwise apply. For example, the Trustee may, but is not obliged to, impose terms that it considers may enable the pension payments or the assets supporting those payments to be subject to concessional treatment under laws relating to tax or social security or similar entitlements; and
- (c) further document the terms governing any pension, including those governed by the Pension Rules, in any manner it considers appropriate, whether by way of variation, supplement, qualification or deletion of terms that might otherwise apply.

4. Terms

Terms used in the Pension Rules have the same meaning as in the Act (and in particular those provisions of the Act relating to pensions) unless the context otherwise requires.

5. Account Based Pensions

The following provisions apply to Account Based Pensions:

- (a) the pension must meet the standards of Regulation 1.06(9A);
- (b) payment of the pension must be made at least annually; and
- (c) no capital supporting the pension can be added to by way of contribution or rollover after the pension has commenced;
- (d) for a pension in relation to which Regulation 1.06(9A)(a) applies the pension must also meet the standards of Regulation 1.07D; and

For a pension in relation to which Regulation 1.06(9A)(b) applies the pension must also meet the standards of Regulation 1.07B.

6. Transition to Retirement Pensions

The following provisions apply to Transition to Retirement Pensions:

- (a) the pension must meet the standards of:
 - (i) Regulation 1.06 (9A) (a); and
 - (ii) subregulation 1.06 (9A).
- (b) the pension must allow total payments (including under a payment split) made in a financial year to amount to no more than 10% of the pension account balance:
 - (i) on 1 July in the financial year in which the payment is made; or
 - (ii) if that year is the year in which the pension commences – on the commencement day; and
- (c) the pension must comply with paragraph (b) of the definition of non-commutable allocated pension in Regulation 6.01(2), as if it were such a pension.

7. Particular arrangements

Subject to the Act, the Trustee may:

- (a) require a Beneficiary requesting payment of a pension to provide the Trustee with information and other particulars relating to the pension before the pension begins to be paid and during the period of payment of the pension; and

- (b) agree with the Beneficiary on particular arrangements to apply to the pension. For example, these may relate to the number and identity of any reversionary beneficiaries, the frequency of pension payments, the amount of pension payments, the treatment of benefits on the Beneficiary's death and any other relevant matters.

8. Reserves

Subject to the Act, where it considers it appropriate, the Trustee may:

- (a) obtain the advice of an actuary regarding the amount of pension payments, any variation to the amount of those payments, commutations, the establishment, monitoring or treatment of pension reserves in accordance with this Rule 12, or any other relevant matter;
- (b) establish pension reserves in relation to the funding of pension obligations relating to particular Beneficiaries;
- (c) arrange for amounts to be notionally credited or debited to pension reserves;
- (d) where a pension benefit liability to which a pension reserve relates no longer exists, or the amount of the pension reserve exceeds the expected liability, arrange for any assets or excess assets in the pension reserve to be applied in any manner whatsoever that the Trustee considers fair and reasonable, including for the general purposes of the Fund, but having special regard to the interests of the Beneficiary to whom the pension benefit related and that Beneficiary's Dependents.

9. Death benefits

- (a) This Rule 9 applies if the terms of a particular pension as provided above, and taking into account any particular arrangements made in accordance with Rules 8 and 12 of this Part, do not provide for the consequences for payment of the pension on the death of the pension recipient.
- (b) Where this Rule 9 applies, then unless the Trustee otherwise agrees, and subject to the Act, if any amount is payable in respect of the pension recipient on the pension recipient's death, it will be dealt with in accordance with Rule 12.6 of these Rules. For this purpose, references in Rule 12.6 of these Rules to the Member will be treated as references to the deceased pension recipient.

The Trustee of the Fund is bound to act in accordance with the requirements of the Trust Deed in administering the Fund. Under the Trust Deed, the Trustee has a discretion to decide whether, in the event of your death, to pay the death benefit, which is payable to your estate or to dependants of yours, and, in what proportions.

However, the Trust Deed also enables you to override the Trustee's discretion by you giving a binding direction to the Trustee. This is a direction to the Trustee to pay any death benefit payable either to your estate or to dependants specified by you and in the proportions that you specify.

You may either elect for the Trustee to exercise the discretion given to it to decide who to pay your benefit to, in the event of your death, or you can give a binding direction to the Trustee by completing the direction in this Nomination.

Important points about binding directions

If you decide to give a binding direction by completing this Nomination, it is important for you to note the following:

1. You can only direct the Trustee to pay the benefit either to your estate or to the dependants that you specify on this Nomination (or both).
2. If you wish to give such a direction to the Trustee, you must specify the percentage of your total death benefit which is to be paid to each of the estate of your dependants.
3. You can confirm, amend or revoke this Nomination at any time by giving written notice to the Trustee.
4. This Nomination is binding on the Trustee until it is amended or revoked. If the Nomination is revoked the Trustee will have a discretion to decide who to pay the death benefit to.
5. If, on this Nomination, you direct the Trustee to pay any part of your death benefit to a person who is not a dependant (as described below), your direction will be void and of no effect and the Trustee will be required to decide who to pay your death benefit to.
6. For the purposes of the Trust Deed, a dependant is:
 - a spouse of a Member
 - any children of a Member
 - any other person (whether related to the Member or not) who is financially dependent on the Member

"Spouse" includes a de facto spouse and "children" includes step-children, adopted and ex-nuptial children.
If you have any doubt as to whether a person you wish to nominate to receive any part of your death benefit is a dependant, you should seek advice from the Trustee before completing this Nomination.
7. For this Nomination to be effective, it must be signed and dated by you in the presence of 2 witnesses who are both at least 18 years old and neither of the witnesses can be a person who you have nominated to receive a part of your death benefit.

Your Legal Personal Representative is either the person named as your executor in your will, or, if you do not have a valid will at the date of your death, the person who applies for and has been granted letters of administration for your estate. Should you wish to nominate your legal personal representative, please write 'Legal Personal Representative' as the name of the Beneficiary.
