Total Concessional contributions: \$ 9,000.00

Footnote:

The Australian Taxation Office has indicated that gainful employment or self-employment for gain or reward in any business, trade, profession, vocation, calling, occupation or employment meets the requirement to pass the work test. For this reason, a person who receives only passive income such as trust distributions or dividend income would fail to meet the gainful employment test.

Additionally, unpaid or charitable work does not meet the definition of gainful employment.
