Dear Sir/Madam

**AUDIT COMPLETION LETTER
Kelis Superannuation Fund
for the Year Ended 30 June 2022**

We advise that we have completed the audit of the Kelis Superannuation Fund for the financial year ended 30 June 2022.

Our audit procedures are designed primarily to examine, on a selection basis, the financial report and reporting disclosures in order to form an opinion whether the financial report, as a whole, is fairly stated in accordance with the accounting policies and accompanying notes, together with certain requirements in relation to the Superannuation Industry (Supervision) Act 1993 and Regulations (SIS).

Therefore, our audit work may not detect all fraud, misstatement, errors or weaknesses that may exist in terms of inherent limitations to internal controls. We remind you, as trustees, your responsibility to maintain an adequate system of internal controls as the principal safeguard against these irregularities or non-compliance. As a result, our audit can provide reasonable assurance that the financial statements are free from material misstatement. This does not mean that there are no further matters that you should be aware of in meeting your responsibilities as trustees, nor does this report absolve you from taking appropriate action to meet these responsibilities.

We note that where there are insufficient internal control procedures in place within an SMSF, transactions may occur that have not been authorised by one or more trustees. Trustees of an SMSF must ensure that the assets of the fund are held for the benefit of members on retirement. Trustees are required to play an active role in the administration of the fund. We therefore recommend that trustees implement controls and review procedures to ensure that all trustees authorise and are aware of transactions completed within the fund, and that contemporaneous records are made of their decisions.

MATTERS FOR TRUSTEE ATTENTION

We advise that we have not encountered any matters during the course of the audit that we believe should be brought to your attention.

Yours sincerely

Dear Mr. President:

QUALITY CONTROL LETTER
Kaiser Aluminum Corp.
For the Year ended 30 June 1982

The auditor has completed the audit of the Kaiser Aluminum Corp. for the fiscal year
ended 30 June 1982.

Our audit procedures are designed primarily to examine, on a selective basis, the financial records
reported thereon. It does not mean an opinion whether the financial records as a whole fairly state
the financial position of the company and its results of operations, together with the management's
report to the shareholders. The 1982 and 1981 reports are filed with the SEC.

However, our audit work may not detect all errors, misstatements, or omissions that may occur in
the financial records. We cannot, therefore, assume responsibility for
the accuracy of the financial records. The company's management is responsible for the
accuracy of the financial records. As a result, our audit can provide reasonable assurance that the financial statements are
free from material misstatement. This does not mean that there are no further matters that you should be
aware of in reading your financial statements. For example, the company's management should be
conscientious in their financial reporting.

We note that when a third party is involved in a financial statement control procedure, a piece of paper is
used. This may occur that have not been authorized by one or more parties. Therefore, in the first place,
do not let the records of the third party be used for the purpose of financial statement control. Instead, the
company should use its own records. The company's management should be aware of
the records and review the records. It is the company's management's responsibility to ensure that the records are
correct and related with the third party. The company's management should be aware of their records.

MATTERS FOR YOUR ATTENTION

We note that we have not accounted for matters during the course of the audit of the company.
Should be brought to your attention.

Yours sincerely,
JOHN W. KYLE

of the Kelis Superannuation Fund

PART A: FINANCIAL REPORT

OPINION

I have audited the special purpose financial report of Kelis Superannuation Fund comprising the statement of financial position as at 30 June 2022 and the operating statement, a summary of significant accounting policies and other explanatory notes.

In my opinion, the financial report presents fairly in all material respects, in accordance with the accounting policies described in the notes to the financial report.

BASIS FOR OPINION

My audit has been conducted in accordance with Australian Auditing Standards (the Australian Auditing Standards issued by the Auditing and Assurance Standards Board). My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to this audit and as required by the *Superannuation Industry (Supervision) Regulations 1994* (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm or network firm did not prepare the financial statements for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

EMPHASIS OF MATTER – BASIS OF ACCOUNTING

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist Kelis Superannuation Fund meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes and should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

RESPONSIBILITIES OF SMSF TRUSTEES FOR THE FINANCIAL REPORT

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

APPROVED SMSF AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL REPORT

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

PART B: COMPLIANCE ENGAGEMENT

OPINION

I have undertaken a reasonable assurance engagement on Kelis Superannuation Fund's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year end 30 June 2022.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K.

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA.

In my opinion, each trust of Kelis Superannuation Fund has complied in all material respects, with the listed provisions, for the year end 30 June 2022.

BASIS FOR OPINION

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

INDEPENDENCE AND QUALITY CONTROL

I have complied with the independence requirements and other ethical requirements relating to assurance engagements, and applied Auditing Standards ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF TRUSTEES' RESPONSIBILITIES

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

APPROVED SMSF AUDITOR'S RESPONSIBILITIES

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2022. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustees have complied, in all material respects, with the listed provisions for the year ended 30 June 2022.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

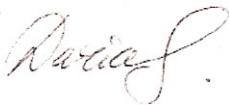

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year end 30 June 2022.

These tests have not been performed continuously throughout the period, were not designed to detect all instance of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

INHERENT LIMITATIONS

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2022 does not provide assurance on whether compliance with the listed provisions will continue in the future.
