Notes to the Financial Statements

For the year ended 30 June 2022

Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements.

The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Trust Deed and the needs of members.

The financial statements have also been prepared on an accruals basis and are based on historical costs, except for investments and financial liabilities, which have been measured at net market values.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

a. Measurement of Investments

The Fund initially recognises:

- i. an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- ii. a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the Fund have been measured at their net market values, which is the amount that could be expected to be received from disposal of the investment in an orderly market after deducting costs expected to be incurred in realising the proceeds from disposal.

Net market values have been determined as follows:

- i. shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- ii. units in managed funds by reference to the unit redemption price at the end of the reporting period;
- iii. fixed interest securities by reference to the redemption price at the end of the reporting period; and
- iv. investment properties at trustees assessment of their realisable value.

Remeasurement changes in the net market values of investments are recognised in the operating statement in the periods in which they occur.

Current assets, such as interest and distributions receivable, which are expected to be recovered within twelve months after the reporting period, are carried at the fair value of amounts due to be received.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the reporting date. The trustees have determined that the gross values of the Funds financial liabilities are equivalent to their net market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

c. Revenue

Fund: MACKAYG

Revenue is recognised at the fair value of the consideration received or receivable.

Page 5

Notes to the Financial Statements

For the year ended 30 June 2022

Interest revenue

Interest revenue is recognised as it accrues using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Interest revenue includes the amortisation of any discount or premium, transactions costs and any other differences between the initial carrying amount of the interest-bearing instrument to which it relates and the amount of the interest-bearing instrument at maturity calculated on an effective interest basis.

Dividend revenue

Revenue from dividends is recognised on the date the shares are quoted ex-dividend and, if not received at the end of the reporting period, is reflected in the statement of financial position as a receivable at net market value.

Distribution revenue

Distributions from trusts are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at net market value.

Remeasurement changes in net market values

Remeasurement changes in the net market values of assets are recognised as income and are determined as the difference between the net market value at year-end or consideration received (if sold during the year) and the net market value as at the prior year-end or cost (if the investment was acquired during the period).

d. Liability for Accrued Benefits

The liability for accrued benefits represents the funds present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

e. Income Tax

The income tax expense (income) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as unused tax losses.

Except for business combinations, no deferred income tax is recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled and their measurement also reflects the manner in which the trustees expect to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where:

Page 6

(a) a legally enforceable right of set-off exists; and

Notes to the Financial Statements

For the year ended 30 June 2022

(b) the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities, where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

f. Critical Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

Self-managed superannuation fund annual return

Who should complete this annual return?

Only self-managed superannuation funds (SMSFs) can complete this annual return. All other funds must complete the Fund income tax return 2022 (NAT 71287).

- The Self-managed superannuation fund annual return instructions 2022 (NAT 71606) (the instructions) can assist you to complete this annual return.
- The SMSF annual return cannot be used to notify us of a change in fund membership. You must update fund details via ABR.gov.au or complete the Change of details for superannuation entities form (NAT 3036).

To complete this annual return

- Print clearly, using a BLACK pen only.
- Use BLOCK LETTERS and print one character per box.

- Place in ALL applicable boxes.
- Postal address for annual returns:

Australian Taxation Office GPO Box 9845 finsert the name and postcode of your capital city]

For example;

Section K: Declarations

Penalties may be imposed for false or misleading information in addition to penalties relating to any tax shortfalls.

Important

Before making this declaration check to ensure that all income has been disclosed and the annual return, all attached schedules and any additional documents are true and correct in every detail. If you leave labels blank, you will have specified a zero amount or the label was not applicable to you. If you are in doubt about any aspect of the annual return, place all the facts before the ATO.

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). We will use the TFN to identify the entity in our records. It is not an offence not to provide the TFN. However if you do not provide the TFN, the processing of this

Declaration Instructions

Please read this page carefully before completing this declaration.

When should this declaration be completed?

Complete this declaration if you would like your tax agent to prepare and lodge your tax return and any applicable schedule or notification of a consolidated group via an approved ATO electronic lodgement channel.

About this declaration

The declaration is divided into four parts:

PART A (Compulsory) - Taxpayer's declaration relating to an approved ATO electronic lodgement channel component of lodgement of a tax return.

As your tax return or request for amendment is to be lodged via an approved ATO electronic lodgement channel, you are required to complete Part A of this declaration. This gives your tax agent the authority to lodge via an approved ATO electronic lodgement channel your tax return or request for amendment.

PART B (Optional) - Taxpayer's consent relating to the electronic funds transfer (EFT) of an anticipated income tax refund.

If you are expecting a tax refund, it is to be deposited by EFT to a bank account. You must provide the name of the account at Part B of this declaration (BSB and account number details are to be included on the tax return). If the account is your tax agent's account include the agent reference number at part B of this declaration.

Note: Care should be taken when completing EFT details, as the amount refundable will be paid into the account named on this declaration and transmitted via an approved ATO electronic lodgement channel.

PART C (Optional) - Taxpayers declaration relating to schedules that are also being transmitted with the return form.

If either an Interposed Entity Election/Revocation or Family Trust Election/Revocation schedules are being transmitted with a return form, the taxpayer must sign the declaration in relation to the schedule. Other schedules transmitted with a return do not require a declaration to be made.

PART D (Compulsory if a share facility user) - Tax agent's declaration relating to the taxpayer's authorisation.

If the taxpayer has authorised the lodgement of their tax return via an approved ATO electronic lodgement channel by completing Part A of this declaration, and you (the tax agent) are registered and lodging with an approved ATO electronic lodgement channel under the shared facility arrangements, you must complete Part D.

Legislation requires that the original declaration be maintained by the taxpayer for a period of five years, penalties may apply for failure to do so.

PART A

Electronic Lodgement declaration (Form F or SMSF)

This declaration is to be completed where the tax return is to be lodged via an approved ATO electronic lodgement channel. It is the reponsibility of the taxpayer to retain this declaration for a period of five years after the declaration is made, penalties may apply for failure to do so.

Privacy

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify the entity in our records. It is not an offence not to provide the TFNs. However, lodgements cannot be accepted electronically if the TFN is not quoted.

Taxation law authorises the ATO to collect information and to disclose it to other government agencies. For information about your privacy go to ato.gov.au/privacy

The Australian Business Register

The Commissioner of Taxation, as Registrar of the Australian Business Register, may use the ABN and business details which you provide on this tax return to maintain the integrity of the register.

Please refer to the privacy statement on the Australian Business Register (ABR) website (www.abr.gov.au) for further information - it outlines our commitment to safeguarding your details.

Electronic funds transfer - direct debit

Where you have requested an EFT direct debit some of your details will be provided to your financial institution and the Tax Office's sponsor bank to facilitate the payment of your taxation liability from your nominated account.
